abounds in white fish and wild ducks."
From Shaw's Point the party took the overland trip of 300 miles to Lesser Slave Lake which is a settlement of 300 people, largely half breeds. Here are Roman Catholic and English missions, each having good farms and comfortable buildings. The half breed children to the series of the week are 6.320,000 bushels, compared to 8.489,000 bushels, last able buildings. The half breed children are cared for here and taught English while their parents are out on the hunt. From Lesser Slave Lake a portage of 10 miles on saddle horses was made to Peace River Crossing. The roads were in terrible shape and the rain came down in torrents during the last forty miles.

The week are 6,320,000 bushels last compared to 8,489,000 bushels last week and 10,912,000 bushels. Stillio the week are 6,320,000 bushels last week and 10,912,000 bushels last week in torrents during the last forty miles. 5, 78%; ... 0. 6, 70; No. 1 feed, 59; No. From here to Dunvegan the trip was 2 feed, 52.
