### Trenching AT GALLIPOLI,

By JOHN GALLISHAW.

The personal narrative of a loyal Newfoundland soldier in the disastrous Dardanelles campaign. An adventure-story stranger than fiction; as well as a reliable account, by an unusually keen participant, of the gigantic failure at Gallipoli.

For obvious reasons not a great many details of the Dardanelles campaign were permitted to be published while it was running its dramatic and terribly costly course; nor since, either, for that matter, Mr. Gallishaw, a student at Harvard when the war began and now, wounded, again in this country, is at liberty to write about what happened. His book, moreover, gives an extraordinarily vivid impression of what trench-fighting and trench-living is like.

If you haven't heard or seen it, get it now.

Illustrated from photographs. Price \$1.30 post paid cash with order.
