Satisfied policy holders in a Life Insurance Company make the best possible boosters. Profits greater than estimates make satisfied policy holders. The results in this Company are seen in a business doubled each five years.

THE LONDON LIFE INSURANCE COMPANY

MOTORISTS!

I have just purchased the Highlanders' Armoury and have storage space for 100 cars. In order to facilitate quick repairs and the most up-to-date service, I am leaving for the United States and Canada about the 27th and while abroad will purchase the finest service station equipment obtainable, also a line of repair parts and accessories for Briscoe, Ford and Chevrolet cars, and can guarantee first-class overhauling and repair work. When you are finished with your car send it in and we will overhaul it and put it in first-class condition for next season. One part of my new equipment will be an electric drive motor test stand where engines will be thoroughly tested under their own power before being put back in the car, where oil or other leaks can be detected and rectified, thereby insuring a good and lasting job. Parties storing their cars at my garage will be supplied with a key so that they can get their car at any time; cars will be so arranged that there will be no necessity to move other cars to get any one car out.

Thanking my customers for their past patronage and assuring those and others I am doing the best possible to obtain quick repairs and prompt service.
