Fighting Trio St. John's West.

Nomination Meeting Held Last Night. Audience Voted as One Man

The friends and supporters of th Liberal-Labor-Progressive Party crowded the spacious rooms of the Star of the Sea Hall last night at a preliminary meeting called for the purpose of announcing candidates to contest St. John's West district and the formation of working Committees The meeting was called for \$30 o'clock but fully an hour before that time seating accommodation was at a premium, and many were standing in the aisles and hallways. Before the meeting opened the corridors. ante rooms and every available space was crowded with voters, all anxious to give their support to Mr. Bennett and his party. Outside the hall many people stood for hours listening at the windows to what the speakers had to say. On the plat-

Cheere, cheers and thunderous applause greeted Mr. Bennett as he approached the front of the platferm, and several minutes elapsed before the popular leader opened his address because of the unbounded enthusiasm which greeted him. Mr. Bennett in the short period of half an hour reviewed the misdeeds and mismanagement of the Government since it assumed charge of the country's affairs. After introducing his colleagues, who were cheered to the echo he said he was availing of this occasion to bid them farewell as their direct representa tive in the Assembly, as he purposed contesting the constituency of the second city, Hr. Grace. Very touching ly Mr. Bennett recalled his associa tions in St. John's West during the past twenty years, which he cherished with pride and which would forever live in his memory.
