Magistrates Court

Two drunks and disorderlies were fined \$2.00 or 7 days and blacked.

A 39 year old stoker, of Ireland, was charged with the following offences: (1) being drunk, (2) the larceny of a S.S. Neptune, valued at \$10.00.

A man named Harvey, an oiler on board the steamer, was called, and gave evidence that the accused took the tools from the ship's storeroom. The defendant had nothing to say for himself other than that he had been on board looking for the Chief Engineer to secure work. He was committed down for 30 days.

A man, belonging to Burin, and given in charge by Superintendent of Police, of the Seamen's Institute, was sent to Sudbury Hospital for treatment.

The man is apparently insane and was arranged to place him under observation.

Girls Should Know This

Many young women seem to forget that during winter's frost and biting cold they should take particular care of their skin. It is hard to expect tender faces to stand the rigors of winter without showing signs.

The use of THREE FLOWERS Skin Cream and Face Powder will keep the face in that smooth, genteel condition so much admired by all ladies. A little Three Flowers Skin and Tissue Cream applied before retiring and the Morning Cream and Face Powder in the morning, and no girl need worry about her complexion. Get these dainty little things to-day, if you are not using them already. At all drug and department stores.

Appeal for Funds For the Miners

Dear Sir—I wish to speak to the public through the columns of your much esteemed paper, a subject concerning the miners of Nova Scotia. I would like to make an appeal to the working class of this city to get them to donate something to help the miners above mentioned, as I believe it is our duty as working men to do so. Many of those men now on strike are men of our own flesh and blood and natives of this little Isle. It is not long ago that we were placed in a position resembling similar to that in which these men are in today. I remember the time of the Fire, many of us remember it well when there were boat loads of clothes and provisions and other articles sent down here to us by the same men that are now on strike.

Now, Mr. Editor, I don't wish to take up too much of your valuable space, but I would like to impress upon every man's mind the need for unity and speedy action at that, as these men have large families to support. I hope that every working man will take this into consideration and dig down and help a little. The different Unions should take up this matter at once, and any man that is not a member of a union could hand over his donation to some other authorized collector. It may be our turn next, the good book says, "in as much as ye have done it unto me." Hoping that this will meet with the approval of the public, and that they will act accordingly, and thanking you in appreciation for space.

Yours truly,

CONTRIBUTOR.
