

**BRKFAST—EPPE'S COCOA**—GRATEFUL and COMFORTING—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition and by a careful application of the fine properties of well-selected cocoa, Mr. Eppe has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.

*Ottawa "Ice Gazette"*. Made simply with boiling water or milk. Each packet is labeled "James Eppe & Co., Homeopathic Chemists, London." Also, makers of Eppe's Milky Cocoa (Cocoa and Condensed Milk).

A LARGE volume would not contain the mass of testimony which has accumulated in favor of Dr. Wistar's Balsam of Wild Cherry as a safe, efficient and reliable remedy in curing colds and pulmonary diseases. Many of the cures are truly wonderful.

I strongly recommend the use of Fellows' Compound Syrup of Hypophosphites to all who suffer in any way from disease or weakness of the Lungs, Bronchial Tubes, or from general debility.

J. W. Scott, M. D., Georgetown, N. B.

Pills which contain antimony, quinine and calomel, should be avoided, as severe griping pains would be their only result. The safest, surest, and best pills are Parson's Purgative or Anti-Bilious Pills.

More than forty years have elapsed since Johnson's Anodyne Lintment was first invented, during which time hundreds of thousands have been benefited by its use. Probably no article ever became so universally popular with all classes as Johnson's Anodyne Lintment.

**FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES**

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in itself a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This then is substantially the basis on which FELLOW'S HYPOPHOSPHITE is built, its direct action is upon the Blood, the Brain and Nervous system, and the Muscles, strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Reinvigorating the Stomach and Liver, strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured, and all have felt where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.

Mrs. Amy Kennedy, of Painesville, Ohio, says: "I have suffered with Asthma 24 years, have been doctored by many Physicians, as soon as I took the Balsam it relieved me, I cannot express the gratitude I feel for the benefit your Allan's Lung Balsam has been to me."  
Dr. Harris, of Middlebury, Vermont, says: "I had been troubled with Bronchitis for two years so effecting the organs of speech that I could not speak aloud for six weeks, I had with it a severe cough and cold night sweats, I took two bottles of Allen's Lung Balsam, and an entirely cured."  
Capt. Foster, of Burwell, Ont., says: "I have been troubled with a cough at times very severe for years past. I have found Allen's Lung Balsam to relieve my cough more readily than any other cough medicine I have ever tried. My wife also used it with the most satisfactory results."
