**LOCAL HIDE PRICES
SHOW AN ADVANCE**

Wheat Continues to Sell at \$1 a Bushel in London.

This morning's market was a quiet one, and owing to the blustering weather and the slippery condition of the roads in this district very little produce was offered.

Hides have advanced one-half cent on the pound and are now selling at 9.8 and 7 cents per pound for No. 1 and 2 quality, respectively.

Wheat continues to sell at \$1 per bushel, and will probably remain at the present price, as there is said to be a scarcity throughout the country. There was very little grain offered on the square and quotations were unchanged.

Poultry is also scarce, according to farmers and buyers, and although there has not been a general boost in prices a number of chickens sold on the square yesterday at 15 cents a pound.

The hay-brought in today was of inferior quality in the majority of cases, very few first-class loads being offered. The following are the quotations:
