WOMEN ASK O.T.A. BE STRENGTHENED

Easter Thankoffering of W.M.S. Is Held at St. Andrew's Church.

The Easter thankoffering meeting of the W. M. S. of St. Andrew's Church was held yesterday afternoon with a large number present. Chief among the business of the session was the unanimous support given to a resolution protesting any referendum on the present Ontario temperance act. Acting on a suggestion from Mrs. W. A. Tanner, secretary for social service of the Presbyterian executive, the members appointed a committee to draw up a strong temperance resolution and the following was unanimously passed:

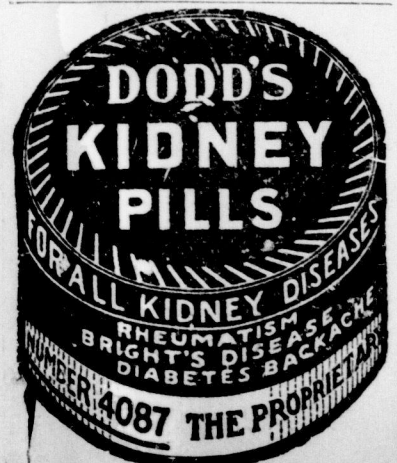

"We, the Women's Missionary Society of St. Andrew's Presbyterian Church, London, having learned with deep regret and concern that there is a movement on foot to so alter our prohibition law that it will not cover the province and would allow the sale of stronger beer, desire to express our united dissent on any such legislation.

"Therefore, be it resolved that we approve of the O. T. A., that we request our legislation to strengthen instead of weaken it; and that we ask stricter enforcement of the law and sterner penalties for the boot-legger."

Signed: Florence Marris, president

Annie M. Cameron, secretary.

Mrs. Tanner.

During the business session it was reported that the financial statement drawn up for the first quarter of the year showed an increase of \$49 over the statement for the same period last year. The report of the supply secretary, Mrs. Ryan, indicated the need of clothing to run on an Indian reserve school. Mrs. McAmmond, of the Salvation Army, was a guest at the meeting and gave an inspirational Bible reading. The hymn, "I've Found a Friend," sung by Mrs. Andrew Robson brought a successful meeting to a close.
