What Lydia E. Pinkham's Vegetable Compound Did for Her

Kansas City, Mo.—"I was left in a very serious condition after child-birth and no one thought I could ever be any better. Then came the 'Change of Life' and I was not prepared for what I had to suffer. I had to go to bed at times to be perfectly quiet as I could not even stoop down to pick anything from the floor, I did not suffer any pain, but I

stoop down to pick anything from the floor. I did not suffer any pain, but I was decidedly nervous and could not sleep. For nearly two years I was this way, and the doctor was frank enough to tell me that he could do no more for me. Shortly after this I happened to see in a newspaper an advertisement of Lydia E. Pinkham's Vegetable Compound. In a few days the medicine was in the house and I had begun its use and I took it regularly until I was well. I recommend the Vegetable Compound to others when I have the opportunity."—Mrs. MAY LINDQUIST, 2814 Independence Ave., Kansas City, Mo.
