THE TORONTO WORLD: FRIDAY MORNING, JANUARY 3, 1890. VOTH F-L-A-T crike the Town and Carry off \$5000 of Plauder The Matte Party to One of the ST. DAVID'S WARD, Strike the Town and Carry of \$5000. ef

Plauder—The Hatte Party to one of the
Swindles.

Two adverdising fakirs struck this town
about a month ago, benght the space of three
pages of The Mail for \$500 a page, engaged a
couple of local fakirs and then went at the
business men with a story that The Mail was
soing to write an illustrated business review
of the trade of Toronto for New Year's Day,
a review that would be the most complete
of its kind ever compiled, and that considering the immense circulation the paper would
have that day they had the gall to ask and
inveigle a lot of merchants and others into
paying from 50 cents and \$1 a line for the
insertion of their cards. As The Mail athered
the project and published this review as
its own the people who paid their money and
think they were done up are looking, to The
insertion of their cards. As The Mail athered
from them on the most flagrant false preteriors. The Mail clears \$500 by the deal,
and the fakirs over \$500. This is not the
firstinor the third time that Toronto has been
firstinor the third time that the that a paper of
the heast it can do is to refund the money to
the yietims.

Another of these fakirs struck the town
ton days ago. He asked for the telegraph office, there he got a list of their offices; armed
with this he drew up a "scheme" and presented himself before the business men. He
had been authorized by the telegraph comthousands of their list of offices, and he would
be willing to print a few business cards as a
border to the list for so much a piece. The
border to the list for so much a piece. The If Was Birected Against Vicar-General
Laurent of St. Patrick's Ward.
In accordance with the rule in such cases of made and provided, the old members of the Separate School Board met last evening in the De La Salle building to hear the reports of the previous day's elections, and declare hem legal. As the regular chairman, Vicar-General Rooney, being a new member, could not preside, Rev. Father McCann, the secretary-treasurer, took the chair. There were present besides Rev. Father Orelley, Rev. Father McPhillips, Hon. T. W. Anglin, C. Burns, W. Friser, James Ryan, John O'Connor, Patrick O'Connor, M. Kielty, E. J. Rielly, D. A. Carey and Neil Smith.

Proceedings opened at 7.30 by Screetary Hall reading the returns of the contested wards. In the matter of St. James Ward the protest filed against the return of Rev. Father Gibbons by Mr. Curran was read by the chairman, who refused to allow it to be considered, on the ground that the business before the meeting was simply to pass upon the reports of the returning officers, and that the courts were the proper place to show up any illegality.

Mr. Curran, who was present, then fired the threatened bombshell. It was as follows:
