THOROUGHBREDS FOR SEAGRAM.

The Waterloo Turfman to Import Another Lot of Racers From England —Program For Hamilton.

Mr. Joseph E. Seagram was well satisfied with the result of the meeting here, Canada's most popular turfman demonstrated that he has the best lot of thoroughbreds in the Dominion, and even a big owner like Mike Daly, with a string of the fastest horses on this continent, could not beat him. Yet Mr. Seagram will still strengthen his string, and has again commissioned Mr. Edmund Haines to visit England on a purchasing tour. The clever Owen Sound buyer will leave shortly with instructions to get the best at any price. He will attend the sale of the Duke of Montrose stud next month, besides several other important sales that will come off in England before the end of July. Canadian lovers of the thoroughbred will again applaud Mr. Seagram's efforts to further improve the Canadian turf and all will join in wishing the Waterloo distiller further success with his racers.

DRINK AND THE DEATH RATE.

The British Medical Association appointed a committee to make enquiries in order to ascertain the average age of the different categories of drinkers, that is to say those who refrain completely from alcoholic drink, those who indulge more or less in moderation, and those who drink to excess. Its conclusions are drawn from 4284 deaths, which are divided into five categories of individuals, with the average of age attained by each:

	Yrs.	Days
1—Total Abstainers	61	22
2—Habitually Temperate Drinkers	63	13
3—Careless Drinkers	59	67
4—Free Drinkers	57	59
5—Decidedly Intemperate Drinkers	53	3

These figures show, singularly enough, that those who reach the shortest age are those who drink no alcohol whatever; after them come the drunkards, who only exceed them by a trifle. The greatest average age is reached by those who drink moderately.—Revue Scientifique.
