Court Clerk Buskard declared Louis Stander had the run of his office. One At the annual meeting of the 28th case was settled apparently by Stander.

Mr. Buskard was asked by Mr. lows: Regent, Mrs. J. P. Murray; vice-regent, Mrs. R. J. Moffatt; secretary, Mrs. H. J. Schmidt; treasurer, Mrs. F. cerned the name of the man whose case Stander had apparently settled on a previous occasion, according to an entry in the book. On two of the occasions where charges against this The coroner's jury, inquiring into the death of Frederick Wm. Adams, who was struck by a G. T. R. train on December 22 and died in the General Hospital on February 2, this morning brought in a verdict of accidental death. The verdict was as follows:

"We the jury come to the conclusion occasions where charges against this occasions where charges against this decasions where charges against this decasions where charges against this occasions where charges against this decasions where charges against this deep marked, "charge withdrawn," and on another occasion "case dismissed" was entered. The charge entered on a February date was the "settled one," while the two "withdrawn" cases were entered up in May. The "dismissed" entered they had been marked, "charge withdrawn," and on another occasion "case dismissed" was entered. The charge entered on a representation of the charge withdrawn, and on another occasion "case dismissed" was entered. The charge entered on a representation of the charge withdrawn and the charge entered on a representation of the charge withdrawn and the charge entered on a representation of the charge of the charge and the charge of the charge and the charge of the charge of the charge and the charge of the charge and the charge of the c The verdict was as follows:

"We, the jury, come to the conclusion that Frederick William Adams came to his death on February 2 as a result of an accident, being struck by a G. T. R. engine. We, the jurors, do not attach any blame to the G. T. R. for the accident."

HOME AND SCHOOL CLUB.

Another Home and School club was organized yesterday afternoon, this time in Falstaff ward. H. G. Martyn, of the Normal School, addressed the meeting on the value of home and school clubs. Mrs. Wm. Irwin, of the Hamlet Club, and Mrs. D. Deacon.

SERGEANT TESTIFIES.

rmission to testify. About the month July, 1921, he said, Mr. Kitchen came of July, 1921, he said, Mr. Kitchen came along in a car and asked witness to accompany him in his search for a traveling man. They drove to the corner of Queen and Colborne streets and they went up to a room (Miss Furminger's). Mr. Kitchen went in the room for a very few minutes and they room for a very few minutes and they discovered the presence of any still, but on being pressed further he admitted having it and led the officers down the stairway then came out. then came out.

"I hadn't any liquor that night nor ny other time with Mr. Kitchen," he dded. "There was nothing improper which took place that night.'

Police court clerk Mr. Buskard esti mated that three-quarters of all O. T. A. cases in the city were prosecuted by the legal firm of Slemin & Slemin, answering a question of Mr. Jennings. mer it is was authoritatively stated today by the secretary of the United
Agricultural Association. Drought conditions prevailed in the section of Alberta which he was supposed to reach
the section of Algraph and the inquiry recommenced this
afternoon Miss May Furminger was
called by Mr. Jennings. Miss Furminger
set said she had read an account of the
proceedings in the papers and she wish proceedings in the papers and subsequent to answer a statement which Detective Schuler said she had made in the police office. It was to the effect that "she had acknowledged it was all a mistake." Witness characterized this as being an absolutely false statement on the part of Schuler.

Witness said she was surprised when she read of the denials in the papers referring to her charges against Schuler the Liberal benches.

At this point Detective Inspector Chapman Schuler and H. C. Stewart returned after being absent all mornreturned after being absent all morning. They were apparently unrepresented by counsel. They had been subpoenaed to appear by Mr. Jennings. Commissioner Gregory inquired about the production of a copy of Mr. Spence's oath of office as collector of customs. This, Mr. Spence had declared, prevented him from furnishing the name of a consignee of liquor which had been of a consignee of liquor which had been of a consignee by Mr. Hughes on asked of Mr. Spence by Mr. Hughes on takes Mr. Hay's former seat.

viding the consent of the department of customs at Ottawa could be secured by Accordingly the invoices were noted

Sergeant Wallace was recalled at this point by Mr. Jennings and was queried about Louis Stander's activities around the police court. Witness said that Stander often laid informations, served court interpreter for these cases and so went bondsman, sometimes paying John Dryley, of Jack Canuck, Charged

the stomach, and whenever too much food is taken it is liable to ferment and becomes extremely sour, causing heartburn. In such cases vomiting years," said Sergeant Wallace. He often occurs, and what is thrown up said he couldn't feel much confidence is sour and sometimes bitter.

The one way to get rid of heartburn is to keep your liver active by using

was dismissed. Borthwick declared he was dismissed. Borthwick declared he had several witnesses to call and he thought one had been sent away. He believed that counsel for the defense was in possession of information which he (the witness) had in his report. TIPS GIVEN.

He believed that tips on coming raids had been given, and cited one case not 100 yards from the police station. He did not know who was responsible. He had heard street talk involving the names in handbooks of Magistrate Livingston and Detective Inspector Chapman. He believed that since Schuler man. He believed that since Schuler left the force the department had worked more efficiently. Schuler had been the storm center. On occasion of a raid in a disorderly house a man there had slipped \$15 into his pocket. He had laid a charge of bribing a police officer, but the case was dismissed by Magistrate Livingston. He believed the money was returned to the man. Acting Crown Attorney McEwen advised against pressing the charge as it would cost so much. The case was settled in the downstairs office. There had been many quarrels between the chief and the downstairs office. There had been many quarrels between the chief and members of the force. The relationships between Magistrate Livingston and Louis Stander were close. He did not blame the ragistrate for the unsatisfactory ending of the case.

Chief Slemin on the Atkinson charge declared that the lady in the case did not want to prosecute. He had not sent the lady witness away.

Scrawny Neck and emaciated upon an abund-Flabby Tissues. ance of food (lacking in Vita- Angular Figuremines) while with a much smaller amount of food, rich in Vitamines, we may quickly take on good, firm flesh, increase in weight and make a remarkable gain in strength,

energy and endurance, pro-vided, of course, that our blood contains a sufficient amount of oxygenated organic iron to enable us to assimilate our food properly. Without organic iron, both food and Vitamines are both food and Vitamines are absolutely useless as your body cannot change lifeless food into living cells and tissues unless you have plenty of organic iron in your blood. This organic iron takes up oxygen from your lungs. This oxygenated organicironunites with your digested food as it is absorbed into your blood like fire unites with coal or wood and by so doing it creates tremendous power and energy. Without organic iron in your blood your food merely passes through your body without doing you any good. Therefore,

and by so doing it creates tremendous power and energy. Without organic fron in your body without doing you any good. Therefore, in practically every case where Vitamines are necessary, organic iron is also necessary. For centuries scientists tried in vain to produce organic iron. At last the problem was solved, so that you may now obtain pure organic fron from any druggist under the name of Nuxated Iron," which is ready for immed ate absorption and assimilation by the blod the moment it enters the system. If you merely wish to gain greater strength, energy vigor and endurance we recommend that yoù take Nuxated Iron only. Do NOT TAKE VITAMINES UNLESS YOU WISH YOUR WEIGHT INCREASED up to what a person should normally weigh. We do not claim, however, that Vitamines will put fiesh on every ody. Some people are naturally too thin and will probably remain so in spite of Vitamines and organic Iron, no matter how much they eat, and in such cases both Vitamines and Organic Iron, no matter how much they eat, and in such cases both Vitamines and Nuxated Iron that you pur druggists in this city to give every reader of this paper a large \$1.00 package of Genuine Yeast Vitamine I blets, pure and unadultericated, with Nuxate Iron. Do not be misled by imitations which ten contain drugs, Insist upon the Genuin eyeast Vitamine Tablets, absolutely free, with every bottle of Nuxated Iron that you pur chase. Be sure to take only "Nuxated Brand" Yeast Vitamine I blets, pure and unadulteriated, with Nuxate Iron. Do not be misled by imitations which ten contain drugs, Insist upon the Genuin eyeast Vitamine Tablets, prepared from the original formula of Dr. Catrin of the Fright of Medicine of Pass.
