## Popular Young Couple

Wedded.

KNOT TIED AT ST. MARY'S THIS MORNING.

At ten o'clock this morning, St. Mary's (R. C.) church was the scene of an interesting wedding ceremony. The contracting parties being two of Berlin's most popular young people—Mr. Chas. Englert and Miss Teresa Fischer, son of Mr. Andrew Englert and daughter of Mr. and Mrs. Sebastian Fischer, respectively. The ceremony was celebrated with a solemn High Mass, at which Rev. Father Schweitzer was the celebrant. Rev. Jos. Englert, Deacon, Rev. J. Englert, Sub-Deacon, and Rev. Francis Pleschinski Master of Ceremonies. The full choir assisted at the impressive ceremony.

The handsome bride entered the church leaning on the arm of her father and wore a becoming gown of white silk with applique trimming and chiffon ribbon. She carried a bouquet of lilies of the valley and was the cynosure of all eyes.

Miss Annie Fischer of Buffalo, N. Y., was the first bridesmaid and was beautifully gowned in pink organdy and carried a bouquet of pink and white carnations. Miss Josephine Englert was the second bridesmaid and also wore a pretty pink organdy gown and carried a bouquet of carnations. Miss Rose Fischer acted as Maid of Honor and wore a lovely cream dress and carried a spray of roses. Mr. Geo. Englert was best man for the occasion and was assisted in supporting the groom by Mr. Leo Kiefer and Mr. J. Seibert.

After the nuptial knot had been tied, the wedding party and guests of whom there were many from town and outside points, repaired to Mr. and Mrs. Fischer's residence on Ellen street, where a sumptuous wedding breakfast awaited them. The young couple were honored by the presence of the officiating clergyman and were warmly congratulated by all on the important step in life they had taken.

During the repast, Miss Ella Weaver skillfully rendered the wedding march.

The wedding presents made to the bride were numerous and included many of the high esteem in which the young couple are held by their friends.

Among the guests from a distance were—Mr. Eugene Englert, and Mrs. and Miss Kieffer of Norwalk, Ohio; Mr. and Mrs. J. Reinhardt and Miss A. and Miss L. Reinhardt of Guilford; Mr. Albert Fischer and Miss M. Fischer of Salem; Miss Hubbard of Forest; Mr. and Mrs. C. Fischer of Elmira; Mr. W. and Miss M. Bechtel of Preston; Mrs. Campbell and Miss Hattie and Miss Teresa Campbell of Hamilton.

The guests spent the afternoon in social converse and games and this evening will indulge in a social hop. Mr. and Mrs. Englert will take up their residence immediately at 45 Ahren Street North.

The News-Record joins their many friends in wishing them long life and much happiness.

**REV. DR. WILLIAMSON SAYS FAREWELL.**

Rev. J. S. Williamson closed a successful three years pastorate in Berlin, on Sunday evening, and leaves with his family to-morrow for Burlington. He made many friends who sincerely regret his departure, and when he bid farewell to his congregation Sunday evening, Trinity Church was crowded to the doors.

His text was from II. Corinthians, 13-11.

Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace, and the God of love and peace shall be with you.

The pastor dwelt on the appropriateness of the word "brethren," being used by Christians. They all belong to one family; have God as their father and their mother is the church. The admonition to be perfect, did not mean physical or mental perfection but a perfection of degree of almost of desire and capable of growth. He urged his hearers to be of good comfort in life; not to worry about troubles that may never come; but to look on the bright side of life; with out distrustful Providence which is too good to be unkind and too wise to be unkind.

He made an earnest plea for unity and harmony in the church.

The stores will be open this evening.

There will be no issue of the News-Record to-morrow.

Mr. Louis Boehmer of Buffalo is spending the holidays at his home in town.

## IN SPORTING CIRCLES

NEW HAMBURG 6—BERLIN 5.

The first baseball game in the new Amateur League was played Saturday between the New Hamburg and Berlin clubs. The locals led until near the finish. Then the visitors evened up and passed them, winning out by 6 to 5. The game was interesting and at times exciting; hits were almost scarce than the errors. The visitors' pitcher, Heimbecker, is a good one, pitching and holding like a vet. He allowed only six hits: "Dinny" Martin, the old timer, was on the slab for Berlin, and pitched a capital game. Nine hits were made, but "Jack" did not have the support he deserved. The fielders fell down several times that netted runs, but made up in pretty plays to redeem themselves. They were weak at the bat, but with another week's practice they will be strong in every department. Saturday's was the first game, and that was scarcely without practice. The public has no kick coming and no complaints are heard, not even from the "cheap ones" who would sooner hang over the fence than part with 15 cents.

Hamburg began scoring in the second. They got no hits but one run. Morley got to first on Huebner's error; Groff was retired at first; Beck struck out; Schilling's muff let Morley home; Heimbecker fanned. In the fifth errors by J. Englert and Zinger and Sterling's hit to centre tallied another. In the seventh, they got three. Groff coaxed four balls; Beck made a base hit; Heimbecker struck out, but the two men on bases scored on Sparrer's double, who tallied on Sterling's sacrifice. Base hits by Heimbecker and Sparrer added another, for a total of six.

Berlin got one in the second, after two men were out. Barrow got a pass and stole second and third and scored on the centre fielder's error. Two errors by Morley on third and a wild pitch allowed Berlin another in the third. In the fourth they got three runs on three hits. Kuhn fanned Barrow got first on Sparrer's muff and stole second, scoring on Gross' single. Martin and Jack Englert each made two bases, scoring Gross and the pitcher, but Englert was caught sleeping at the third station. From then to the end of the game they were blanked.

In the sixth Martin made a single but died on the bases. In the eighth he made a clean double but again he was left on bases. His batting was one of the features of the game. Kuhn and Englert in the outfield made several good catches.

The detailed score is crowded out to-day.

All Canadian League players are barred. The League will ask the Park Board for the use of Woodside Park and intend to put in good condition for ball-playing.

Mrs. Smith (to Mrs. Jones)—Supposing you win the couch on Tuesday evening at the band concert, what would you do with it?

Mrs. Jones—Why, I would recover it.

**NORRIS & ROWE'S ANIMAL SHOW.**

Norris and Rowe's Big Trained Animal Show will exhibit in Berlin July 8th, giving two performances at 2 and 8 p. m. The aggregation is the largest of its kind in America, and the performance which is given entirely by animals, is decidedly of a novel character.

A grand free street parade will be given at 11 o'clock on the morning of the exhibition, at which time the entire company of over 300 animals will be seen all decked out.

Waterloo always has had a good celebration. Tuesday she will have another. The baseball match between New Hamburg and Waterloo two of the league teams will prove a strong attraction.

**PAY YOUR DOG TAX**

## Waterloo News Notes

BORN 40 YEARS POSTMASTER.

On July 1st, 1922, Mr. C. Kumpf, on the duties of Postmaster of Waterloo and today sees the completion of his 40th year in that position. In a conversation with Mr. Kumpf we heard some interesting and surprising facts regarding Post Office business in the sixties and in fact in the thirties as Mr. Kumpf has in his possession the first official books used in Waterloo offices dating back 71 years.

The first book Waterloo had showing the rates to be charged on letters

is still in good condition but bears no date of when it was printed but has written thereon "corrected to 1841" Berlin is among the offices added in the written corrections.

At that time letters were rated according to the distance of posting. This book contains a list of all the offices in Canada at that time with their distances from Waterloo. Galt is given as 14 miles and Guilford 22 miles, and so on to Montreal, listed at 456 miles. The rate was 1 shilling 4 pence; Halifax was 33.72 cents. All rates were quoted in sterling in the year 1851-2, according to the account book, the postmaster's stipend amounted to 72 1/2 and 24. Com-mencing in the fall of '59 money and cents were stated in dollars and cents. The official P. O. Guide book for 1852 gives the postage rates as follows: To any place in Canada 3d per 1/2 oz. To Great Britain 1s 2d per 1/2 oz. To Halifax and Nova Scotia 7 1/2 d. To Newfoundland 1s To British Colonies (that is, Australia &c) 2s 6d per 1/2 oz. To Africa not exceeding 1-4 oz. 2s. 8d. If weighing from 1 to 1-4 oz. the rate was 1s. 6d. To Germany, not exceeding 1-4 oz. 2s. 8d. not exceeding 1-2 oz. 3s. between 1-2 and 1-4 oz. 1s. 6d. (\$2.90)

Forty years ago a person sending a letter to Germany would pay 25 cents providing it did not exceed 1-2 oz. in weight if it weighed more than 1-2 oz. but not over 2 oz. the rate was 40 cents and on 25 cents for each 1-2 oz. and to register same it required 25 cents extra. It was optional whether the sender of a letter prepaid same or sent it collect. It was not unusual occurrence to receive a letter from Germany with four, five or more rates due—that would mean from a dollar to two dollars for a letter! How about those who kick nowadays when they have to pay 4c. of a letter up on delivery? The light foreign note of the present time makes it an easy matter to keep a letter under the first or second rate, but with the hand made paper of Germany in 1852 it was difficult to send a letter weighing less than an ounce even without using an envelope, this being usually done in those days.

The rate by Cape of Good Hope in '62 was 35 cents per 1-2 oz. To France 17 cents per 1-4 oz. These rates are now 50 cents per 1-2 oz. The rate in '63 was 35 cents for the same weight. The rate to the U.S. was 10 cents per 1-2 oz. with 5 cents extra for registration. The rate to Great Britain by Canadian Ocean Steamers was 12 1/2 cents per 1-2 oz. Newspapers to England and U.S. were rated at one cent each, nothing being said about weight. There were no extra Saturday or Sunday editions then—all papers were about the same size so that "one cent each" covered the cost sufficiently. The rates to Great Britain by British (Canadian) Mail Steamers was 17 cents per 1-2 oz. The destination of all letters was kept track of and in the year '62 during July there were 41 letters sent from Waterloo to Toronto while in July 1852 the total number of letters received at Waterloo was 62—of these many were for other places in this district, Waterloo being a forwarding office then.

The rate laid down in the official guide for the year '63 regarding office hours required the Postoffice to be open on Sunday "for at least one hour before or after Divine Service, as may be most convenient to the public."
