British lion. England and America have Death of Walter S. Buckler. sent missionaries to labor among the Ar-

sont missionaries to labor among the Ar-menians and Turkey has butchered them and the people they went to labor amongst and it is not to be wondered at that there is a desire among the people of England to deal out justice to the misoreants. But, if Eng-land moves she will be charged with an at-tempt to gobble Turkey as other powers gobbled Poland. This will be a pretext for a declaration of war by the other European powers against Britain, and as Roseberry remarks "you can see the eloquent com-mencement but nobody living can see the catastrophe or the end." In the meantime the Sultan is allowed to lord it over the Armenians and all Europe turn their backs on the sufferers and glare fiercely at each other.

tion and a family dinner.

the Sulfar is allowed to lord it over the Armenians and all Europe turn their backs on the sufferers and glare fiercely at each other. ——One of the leading Canadian papers says: We have reached the period when harvest thankgivings are the order of the day, and people filly return thanks for the bountiful harvest with which the country has been favored. It will not belong before the usual "Thanksgiving day" designed presumably as a national and formal recog-nition of the duty of the people to give thanks will be announced. The proclamation commencing "Whereas the Almighty has, etc.," or similar form will announce the pleasure of the Crown that such a day be

pleasure of the Crown that such a day be observed. The opinion is generally ex-

pleasure of the Crown that such a day be observed. The opinion is generally ex-pressed that it would be a good thing if the day for this celebration was changed from that usually appointed. If, instead of Thurs-day, Monday was chosen it would give greater facilities for people to go abroad and provide two successive days' holiday, and for many two days and a half. The statute provides that "any day may be appointed and the government will be doing the public a great service if it name Monday as the next Thanksgiving Day." ——The New York World prints this from the Devence of the State State

Thanksgiving Day."
The New York World prints this from its Philadelphia correspondent: "There will be \$1,000,000 contributed in the State of Pennsylvania to the McKinley fund. All the railways in Pennsylvania are in politica. All the horse and electric car lices and money.
