ACCIDENT AT ANNAPOLIS

Annapolis.—What might have proved
a serious accident occurred here
near the Baptist Church, when Alfred
Fancy, of Milford, lost control of the
steering gear of his car, which struck
a telephone pole and turned partly
over in the ditch. He was accompan-
ied by Mrs. Ross Rubley, also of Mil-
ford, who was badly bruised on the
head, and carried into C. O. Duncan's
house, where Dr. Smith was sum-
moned and attended to her injuries.
She was able to be taken home later
in the afternoon.

Mr. Fancy was out on the hands
by glass from the broken windshield,
and the car badly damaged. The
force of the impact was so great that
the telephone pole was broken in two.

BRIDGETOWN WINS MATCH AT DIGBY

Local Boys Have Long End of a 12
to 6 Score—Very Good Attend-
ance at Game.

On Wednesday last the local base-
ball team motored to Digby and won
over our sister town aggregation by
a score of 12 to 6. The game was
a much better one than the match
played up here three weeks ago. The
Digby team was stronger and worked
together better. Bridgetown started
in pretty strong and ran up three
runs in the first innings. The Digby
scoring was done in the eighth and
ninth innings. In spite of the fairly
large score quite a number of innings
were scoreless and the match was
witnessed with some pleasure by
over a hundred and fifty fans. Strike
outs were numerous, Malcolm hav-
ing 21 to his credit, and Robinson 13.
Outfield playing was much better
than the work of the infield. This
was due in considerable measure to
the condition of the grounds which
require some improving, being new,
comparatively speaking. Jack Mal-
colm pitched an excellent brand of
ball and both he and Roy Donaghy
got two baggers.

Mr. Walker was umpire at the
plate and Max Young on the bases.
Both gave excellent satisfaction.

The boys enjoyed their trip and as
always spoke in the highest terms of
the Digby team and of Digby patrons
of the game. The Digby team is
improving in its work. Practice and
effort, and a reasonable measure of
enthusiasm is always bound to tell
up.

former home was. This removes the
last member of one of the old families
once residents of Upper Granville.

days, to sport would be as tedious
as to work.

owing to recent rains.

TUXIS BOYS BUY HANDSOME PIANO

Upstreamer Square St. James' Church
Prove Live Wires—Open Meet-
ing July 9th.

The many friends of the "Upstream-
ers" Square of Tuxis Boys (St. James'
Church) will be glad to know that
their piano fund has progressed so
favorably as to warrant their pur-
chasing a splendid instrument and
installing it in the Sunday school
room. This was done some two weeks
ago. As a balance yet remains to be
raised to complete the purchase price,
the boys propose to do this next Mon-
day evening (July 9th) by holding an
"open" meeting of the Square in St.
James' school room, to which the
public are invited and this, by the
way, will give outsiders an excellent
opportunity of seeing the inside
working of a Tuxis Square. The
chief business of the meeting will be
the presentation of the piano to the
corporation of the church for use in
the Sunday School room, but before
this takes place a varied programme
will be given. The boys themselves
will contribute a portion of this under
the direction of Mr. G. H. Warey. For
the musical half they will have the
assistance of a number of friends, in-
cluding Miss Ethel Daniels, Mrs. Lic.
(Dal.) who, by request, will play the
"Hungarian Rhapsody" No. 2, as ar-
ranged for the piano by Franz Liszt.
A number of our readers will re-
member this as being the concluding
number of the very fine program
rendered in Annapolis Royal last
Autumn by the "Boston Symphony

WOMEN'S INSTITUTE AT LAWRENCETOWN

Large Amount of Important Work
Done—School Closing Treat—
Personal and Social Items.

On June 28th the Lawrencetown
Women's Institute met at the hospita-
ble home of Miss Sadie Banks. The
matter of a picnic in July was dis-
cussed and will be reported later.
After the business was transacted in
which plans were made for future
work, Mrs. L. H. Stoddard gave a re-
port of the convention in Truro. This
report was most interesting and
showed close attention and an in-
telligent grasp of all the addresses.

Mrs. Messenger gave a very in-
structive paper on "Canadian Art"
and a practical paper on "Canadian Art"
written by Mrs. H. Daniels was read.

Mrs. W. E. Palfrey made a sugges-
tion that each member of the In-
stitute be asked to save "a cent a day"
for the next two months. This sugges-
tion was put to a motion and car-
ried, and as the membership is large
it should prove a very practical way
of increasing the funds.

The Institute used a resolution of
appreciation to each of the three
teachers in the public schools. Mr.
B. S. Banks, principal, has by the
standing of pupils set to write at
provincial exams, also students fitted
for colleges, given himself a teach-
er of very superior order, and he has
always kept Lawrencetown school
"right on the map".

Miss Marion Troop, teacher of the
Intermediate Department, has taught
very successfully for two years and
was very sorry to lose her, but
with her continued success in the
new work.

Mrs. Corkum, Primary teacher, is
wonderfully fitted for her position
and is in addition to her regular
work teaching music from which she
has had very gratifying result, and
for which she has the sincerest
thanks of the parents.

The Institute appreciates the good
work of the teachers and wishes to
co-operate with them in any way for
the betterment of the school.

Miss McLean, who assisted in the
millinery parlor of Mrs. H. H. Whit-
man, has returned to Sussex. This
young lady may enter the home de-
partment in Sydney, C.B.

Mrs. W. Morse motored to Windsor
for a school visit to her son, Mr. C.
Morse.

Mrs. Col. Bent, Paradise, and Mrs.
McDonald, Halifax, were in town,
guests of Mrs. H. H. Whitman.

Mr. and Mrs. Donald Fraser and
Miss Harwood, Halifax were in
town for a short visit to friends.

Mrs. Forman Bishop has been to
Digby, Yarmouth and St. John, a
very pleasant trip.

Visitors from the States are com-
ing home daily, others expected.

Wedding bells will soon be heard
in Lawrencetown.

Mrs. Rosegreen, Boston, has gone
to Roxbury, Annapolis Co.

The clergymen of the town are do-
ing a great amount of pastoral work,
visiting out stations and those who
by age or illness cannot get to the
church services.

We are glad to hear one of the
ministers in town has
