

its establishment. Having commenced a year however with a largely increased edition, we have still about a thousand copies on hand from the commencement of the year, and consequently able to fill orders to that extent for the whole volume. If as many of our correspondents as possible will favour us with more orders, they will enable us to distribute these back numbers in their various localities where of course they will be of more service than in our office. We regret that owing to a pressure of occupation we are not able yet to announce the list of subscriptions up to 1st April. We hope to be able to do so by next month.

FRESH GARDEN, FIELD and FLOWER Seeds for Spring Sowing.

The Subscriber begs to inform his friends and the public that his stock of Fresh Seeds is now complete, and very extensive, embracing almost

EVERY VARIETY OF SEED

that is adapted to the country. The stock of Agricultural Seeds is large and well selected, and the vitality of each sort being fully tested, the genuineness of the seeds may be fully relied upon.

Merchants and Agricultural Societies ordering Seeds in bulk will be supplied at wholesale prices. Complete assortments of garden seeds neatly put up in small papers, with directions for sowing, and sold by the box containing 150 papers for \$5. Twenty packages of Flower Seeds, choice sorts, will be sent free by post to any part of the Province, to the address of any party remitting \$1, free of postage, or 25 packages, postage unpaid.

The Subscriber wishing to give parties who reside at a distance an opportunity to test the qualities of his seeds, will on the receipt of \$2, free of postage, send free to any Post Office in Canada, 25 full sized packages of **VEGETABLE SEEDS**, many of them containing an ounce of seed, and 12 papers of choice **FLOWER SEEDS** with descriptive catalogue and box included—the seeds to be of my own selection. None but the most useful and desirable varieties will be sent.

Descriptive catalogues of Garden, Field and Flower Seeds furnished gratis to applicants.
