On page iv of this issue we make a still more liberal offer; that is to give a Maynard plum tree, worth \$1.50, for only one new subscription at 50 cts. Win one of these trees and let us publish your name in our next issue with the names of others who are fortunate enough to win one of these trees.

**A Popular Premium Offer.**—On another page of this issue we announce that we will give one Maynard plum tree, valued at \$1.50 to every reader who will send us one new subscription to THE CANADIAN HORTICULTURIST. We would like every reader of THE CANADIAN HORTICULTURIST to obtain at least one of these splendid trees, but unfortunately Messrs. Stone & Wellington, from whom we are securing them, inform us that only about 350 trees are to be disposed of through our offer. Therefore, we have made arrangements to give one Maynard plum tree, as long as they last, to every reader who will send us one new subscription to THE CANADIAN HORTICULTURIST. Read our offer, and send in your friends' subscriptions.
