Cheese, Butter, Calves.

Beaver Manufacturing Co., Galt.

Gentlemen,—I have fed **Herbageum** according to directions and found it to be profitable. I fed my three cows 4 lbs each, costing 50c. per cow. I commenced 3 weeks before they came in, and fed for about three weeks after, and then put them on grass. My neighbors had full better cows, yet on no better pasture, mine at the end of the six months' delivery, Nov. 1st, returned me from \$4 to \$6 more per cow. One of them had 30 cows. I urged him to test Herbageum. He replied, "It costs too much." Mine returned me over \$6 per cow more than his, and apparently \$15 invested for them in Herbageum would have returned him \$165 extra profit. I find it equally good for calves and horses.

N. B.—The cost for Horses, Cows, Bees and Hogs is only 1 cent per day. For Calves, Colts, Sheep and Young Pigs, about 3 cents per week. It is valuable for hens and turkeys and for their chicks. If not sold in your town or village write to
