"Empress" Pure Indian Tea

always comes from the same gardens in India, and consequently is excellent quality and never varies.

People who enjoy a good cup of Tea, and wish to be sure of always getting the same kind, are safe in buying "Empress." Another good thing about "Empress" is that it is packed in one-pound, air-tight, lead packages. These packages keep the tea in perfect condition and prevent it from losing any of its strength or fine flavor.

You save at least 15 cents on every pound of tea you buy from us and get the guarantee "Satisfaction on your money back."

We will send Catalogue to anyone sending name and address.
