

# Fast Black

Hosiery buyers know that Hermsdorf  
Fast Black is wanted by their customers.

## WRITE IT IN THE ORDER

That every pair of imported Black Hosiery is to  
bear the stamp . . . . .

*Louis Hermsdorf*  
*Dyer*

Whether alone or in combination with another,  
the HERMSDORF DYE stamp should always  
be present on Black Hosiery.

## INSIST ON HAVING IT

and you will get it. Your  
customers have learned to  
depend on the never-failing  
fast black implied by the  
stamp.
