

PUBLISHERS' DEPARTMENT.

PEOPLE WHO RESIDE OR SOJOURN in regions of country where fever and ague and intermittent fever are prevalent, should be particularly careful to regulate digestion, the liver and the bowels before the approach of the season for the malarial miasma.

Forty Years' Experience of an Old Nurse. MRS. WIMLOW'S SOOTHING SYRUP is the prescription of one of the best female physicians and nurses in the United States, and has been used for forty years with never-failing success by millions of mothers for their children.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India Missionary the formula for a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all the Lung affections, gave a positive and radical cure for Nervous Debility, and all nervous complaints after having tested its wonderful curative powers in thousands of cases, has felt it his duty to give it known to his suffering fellows.

Cause of death: It is known almost to certainty that in fatal diseases the individual dies either by the brain, heart or lungs. How wise then is the effort to maintain a perfect state of health.

Dr. R. V. PIRKER, Buffalo, N. Y., Dear Sir: My wife had suffered with "female weaknesses" for nearly three years. At times she could hardly move; she had such dragging pains. We often saw your "Favourite Prescription" advertised, but we had like most patent medicines it did not amount to anything, but at last concluded to try a bottle.
