

AN EXTRAORDINARY OFFER.

To All Wanting Employment.

We want Live, Energetic and Capable Agent in every County in the United States and Canada, to sell a patent article of great merit, ON ITS MERITS. An article having a large sale, PAYING OVER ONE HUNDRED PER CENT. profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents and the fact that it is an article that can be sold to every houseowner, it might not be necessary to make an "EXTRAORDINARY OFFER" to secure good agents at once, but we have concluded to make it to show not only our confidence in the merits of our invention, but in its salability by any agent that will handle it with energy. Our agents now at work are making from \$150 to \$600 a month clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days trial and fail to clear at least \$100 in this time, ABOVE ALL EXPENSES, can return all goods unsold to us and we will refund the money paid for them. Any agent or general agent who would like ten or more counties and work them through sub-agents for ninety days and fail to clear at least \$750 ABOVE ALL EXPENSES, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed; and but two sales a day would give a profit of over \$125 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us three one cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine solicitors and carpenters in the country, and ask any reader of this paper who reads this offer, to send us at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money.

"MAUD S." CONDITION POWDERS**For Horses, Cattle, Sheep, Pigs and Poultry.**

So vast is the importance of these extraordinary preparations to the Stable, the Farm and the Barn Yard, they have become indispensable to both in this Dominion, to all who are engaged in the growth of the management of Live Stock of any description, whether Fowls, Pigs, Horses, Cattle, or Sheep. So suddenly do they arrest disease in Poultry or in any of these animals, their virtues have passed into a proverb, and their sale has become enormous.

It is a truth beyond a shadow of doubt, that on the farm or in the Barn Yard or Stable, where "MAUD S." CONDITION POWDERS are occasionally mixed with the food of fowls and animals, or administered according to the directions that accompany each package, disease becomes all but impossible, while the general condition of the stock insures the most remunerative results. Try them, you who may not yet have used them.
