 When your love they'll miss;  
 Get the world's cauldrit freon

 For the years they spent wi' thee,

**THE REASON WHY**  
 St. Leon Mineral Water is such a great specific for so many diseases, is because most diseases peculiar to the human system arise from impure blood or irregular action of the Bowels, Kidneys or Liver. St. Leon Water is charged with Minerals and gaseous ingredients whose action is directly on these organs, purifying the blood, imparting an easy, natural movement to the bowels, stimulating the liver and giving a healthy tone to the whole system.
