

THE SUN.

WEEKLY, AND DAILY FOR 1875.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavour to describe them fully, faithfully and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavour to keep it up to the old standard, but to improve and add to its variety and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, and it will be published at full length when of moment, and always be read, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and useful reading of every sort, but will give nothing to our readers that is not sound, sensible and reliable. It will always contain the most interesting and important news of the day, and will be printed in a clear and legible type.

The Agricultural Department is a feature of the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer.

The number of independent contributors to the WEEKLY SUN is one of the most important features of the paper. It is our aim to have a large number of contributors, and we shall be glad to receive contributions from every part of the country. The contributions should be sent to the Editor, and should be accompanied by a check or money order for their value.

The subjects of every kind and of every age are regularly edited for the WEEKLY SUN.

The price of the WEEKLY SUN is \$1.00 a year for a sheet of 24 pages, and six columns. As this paper is published on any day of the week, we are unable to make any discount for advance payment. Those who may make a special order for a circulation of 100 or more, we will make a special arrangement of postage in advance one dollar a year with twenty cents discount if paid in advance. It is not necessary to pay in advance. Any one who sends one dollar and twenty cents will get the paper for a year.
