BANKERS:

This Company has arranged to secure the property, business and good will of the Old Ferry Company on most favorable terms, thus avoiding competition and enabling the company to extend and improve the Ferry Service and immediately reap the full benefits of the same. As soon as the balance of the stock to be placed is subscribed and paid in, the transfer will take place, and arrangements will immediately be made for the purchase or building of Two First Class Modern Ferry Steamers.

Such portion of the property of the Old Company as is not required will be disposed of to advantage. Nearly two-thirds of the needed capital is subscribed; the balance is now offered for a limited time at par.

The successful operations of the Halifax Steamboat Company for the past quarter of a century and the profitable results of its winding up, and the fact that a number of its shareholders are subscribing for stock in the Halifax and Dartmouth Steam Ferry Company, (limited), are sufficient guarantees for the success of the new enterprise.

No ordinary stocks in any country pay as well as Ferry stock. Whenever men are separated by unbridged water they must use the ferry, and hence its revenue is never affected by trade depression.

In view of the fact that the Green Markets of the City are now, and must continue to be, mainly supplied from the Eastern section of the County—that the population on both sides of Halifax harbor is increasing—that the industries of Dartmouth are multiplying and extending—that the traffic between the City and Dartmouth is becoming heavier and must continue to grow—there is no doubt that the enterprise will yield a certain and ample return upon the capital invested.

Applications for shares should be made to J. C. Mackintosh, Esq., Banker, 166 Hollis Street Halifax, N. S., or to A. C. Ross, Esq., Agent of Halifax and Dartmouth Steam Ferry Co (limited), Halifax Hotel, Halifax, Nova Scotia.
