## The Eagle Steam Washer

IS THE BEST

WASHING

MACHINE

ON EARTH.

No Home is Complete Without the Eagle STEAM WASHER.

Mrs. J. M. F. & Co.—Dear Sir,—The machine I bought of you last July has given every satisfaction, and does all that you allowed that it would. The same amount of clothes for the washing of which we paid equal to \$1 can be done really by my daughter, and whereas the washerwoman took from \$4 to \$10 per week, now, with the machine, my daughter commences after the children leave for school in the morning, and ere they return to dinner the clothes are on the line and the machine set aside. In the invention of the Eagle Steam Washer you have conferred a great boon on the domestic circle, and its use will become universal as soon as its merits are appreciated. Yours, dear Sir, your truly, Rev. J. Kennor.
