#### TELEGRAPHY.

TOUNG MEN AND LADIES desiring to YOUNG MEN AND LADIES desiring to qualify for the numerous situations which will soon be offered on the several Telegraph Lines, are invited to attend at the Dominion Telegraph Institute, No. 75 St. James Street. The mode of instruction followed in this Institute has received the approval of the highest authorities in the country, and the best proof we can offer is that all the new situations filled within the last two or three years have been so filled by papils from this Institute. As to the success of the method followed here, read the following testimony:

"Cookshirk, 21st December, 1872.

"To Mr. Monday, Proprietor of the Dominion Tolograph Institute:

Sig.—I hereby certify that only eight weeks' study and practice in the Dominion Telegraph Institute has onabled me to receive messages at the rate of 23 words a minute, and that I consider the mode of instruction followed as excellent.

"Yours, etc., "S. J. Osgoon."

The regular course is three months: but, as will be seen by the above testimony, intelligent persons can qualify in much less time. Protecient pupils have the advantage of practising on a regular line, and of being placed on a large circuit.

and of being placed on a large circuit.

The terms for the course is THIRTY DOLLARS, the use of the instruments included. All the accessories of the school are new and countete.
