

NEWS AND NOTES.

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon treatment for catarrh. Out of 200 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefitted, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure catarrh in this manner, and no other treatment has ever cured catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star.*

"Why did General Washington cross the Delaware on the ice during the storm of an awful night?" asked a teacher of her young class in history. "I reckon" piped a small voice in answer, "it was because he wanted to get on the other side."

NOW READY.

Fifty Volume Library OF SELECT BOOKS FOR THE CHILDREN OF THE CHURCH. FIFTH EDITION.

These fifty volumes are books of exceptionally religious character, inculcating pre-eminently the truths of Scripture and the doctrines of the Church. Over one thousand sets have been sold. Before publication each book was carefully examined by either a competent committee of Clergymen, or by critical readers, friends of the publisher. The regular catalogue price of the volumes is \$38.40. The set is offered at the low price of \$20.00 (not including freight or duty), from which there is no discount. There are over 10,000 printed pages in the library. The books, with a few exceptions, are all illustrated; are strongly bound in muslin, with brown and black ink and gold stampings. Each set is uniform in size and color, and is put up in a substantial wooden case, with 25 catalogues included. Considering the size and character of the books, the publisher confidently commends this set as being well suited to the present demand for good, but cheap books.

"The Books have been examined by competent persons, and are free from the sentimental nonsense and insipid twaddle that for the last few years has characterized so many books for children. We most cheerfully endorse the books."—*Kentucky Church Chronicle.* Bishop Morris writes: "The books have been examined by a good judge and pronounced a good selection; making a very useful library."
