A MONUMENT TO THE GLORY OF MARY. New and illustrated Work. Published with the approbation of the Most Rev. John Hughes, D.D., Archbishop of New

"LIFE OF THE BLESSED VIRGIN MARY, MOTHER OF GOD;"

with the history of the Devotion to her; completed by the Traditions of the East, the Writings of Fathers, and Private History of the Jews. By the Abbe Orsini. To which is added the Meditations on the Litany of the Blessed Virgin,— By the Abbe Edduard Barthe. Translated from the French by Mrs. J. Sadlier.

"This magnificent work of the Ablie Orsini was recommended to me by those whose judgment carries weight in such matters, as the fullest and most compendious Life of the Mother of God, seeing that it does not break off, as most others do, at the close of her mortal life, but follows the course of the universal devotion wherewith the Church has honored, and does still honor, this Queen of angels and of men. It shows how from age to age that devotion has grown and prospered coequal with Catholicity, and records the shrines and churches erected in every land under her invocation. It embodies the Eastern traditions concerning her, with the conclusive testimony of the Fathers; the little which is rela ed of Her in Scripture being but a faint sketch of Her life?—Extract from Translator's Preface.

We select the following as a specimen of the Notices of the

"We intended this week a lengthy notice of the first number of this work, but in consequence of a pressure of news not to be omitted, we must delay for a future occasion. We shall only saw now that the original is a work of the very highest reputation; that it includes everything in record, or in tradition, about our gracious and Blessed Lady, and that Mrs. Sudlier is the translator of that original. Her name is praise enough. As to the typography and paper, the Saddiers seem to have considered this their test work; and to have spared no expense in making it what it is, the most perfect of its kind. The Life of Our Blessed Lady, so produced, will surely have a place in every Catholic household in the New World."— American Celt.

American Celt.

"This very able and much needed book is not the mere biography of her Blessed Lady, enlarged from the slight sketch of her life furnished by Holy Scripture, but contains all the traditions of the East, the writings of the Fathers, and the private history of the Jews. The corrupted traditions of a promised and virgin-born Messiah preserved by Pagan nations, and all the sacred prophecies have been laboriously sought out and skilfully arranged; and when what is known by revelation and tradition has been set down, the author proceeds to give a history of the devotion to Mary, with its rise and progress in the Church. Of course it is a book which no Catholic should be without. The present translation, neatly and elegantly done, is admirably printed, upon fine imperial catavo paper, reflecting great honor upon its publishers."—N. Y. paper, reflecting great honor upon its publishers."-N. Y. Freeman's Journal.

"The original work, from the pen of Abbe Orsini, and elegantly translated by Mrs. J. Sadlier, is published with the approbation of the Most Rev. Archbishop of New York.—The style of the translation is vigorous and chaste, and gives the best and most comprehensive history of the Life of the Most Blessed Mother that we have ever met. The illustration Most Blessed Mother that we have ever met. The illustration to the present number is well chosen by the artists, who select for it the moment of the annunciation, to the Virgin, of the high destiny reserved tor her. The paper and typography are of a very superior description. We carnestly recommend the work to the attention of all who revere the Virgin conceived without sin, whom God vouchsafed to honor in such an unequalted degree. Philadelphia Catholic Instructor.

MRAKENNEDY, OF ROXBURY,

HAS discovered in one of our common pasture weels have HAS discovered in one of our common pasture weeds a manually that cures EVERY, KIND OF HUMOR, from the worst Scrofula down to a common Primple, He has tried it in over eleven, hundred cases, and never failed except in two cases, (both thunder himor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing-sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of bites.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case

One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cure the worst ense

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a conmon weed growing on the pastures, and along old stone walls. hon weed growing on the pastures, and along on stone wans, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no if nor ands, hums nor have about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty, I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by

To those who are subject to a sick headach, one bottle will always cure it. It gives a great relief to catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever man listened to.

I perceive that I experience great benefit from the use of it; but being obliged to return to this place in a hurry, I could not procure any more of the Medicine. I made diligent enquiry for it in this section of the country, but could find none of it.
