

Local Market Report.

We hail with delight our predictions that Manitoba would prove to the world that she can produce the finest. The produce this year has been unequalled, but for quality is unsurpassed. Following may be taken as average prices for farmers' products:

Vegetables.—Potatoes have sold mostly at 30c per bushel for loads on the market, though a few loads have sold at 25c.

Eggs.—Dealers are now offering 12c for receipts, and selling in case lots at 14 to 15c as to quality.

Butter.—The market is taking on an improved feeling as is usual at this season of the year, though there has not been any important change.

Wood.—Tamarac is held at 4.50 to 4.75 per cord on track here in car lots as to quality. Oak about \$3.75 to \$4; mixed pine, spruce, etc., can be had at 3.50 to 3.75. Poplar has sold at from \$2.50 to \$3 on track as to quality; green cut poplar brings the best price, though green cut poplar has been offered at \$3.75 per cord. Ash has been offered at \$3.75 per cord on track.

Seneca Root.—The market is firm and at about 28 to 30c for round lots to ship.

Hay.—Not much doing, and baled offering at \$4.00 to \$4.50 per ton at point of shipment.

LETTER FROM RUBLEE, RIDDELL & CO'S (BISCUIT MANUFACTURERS) HEAD BAKER.

Winnipeg, Sept. 10th, 1894

Messrs. David J. Dyson & Co. Winnipeg.

Dear Sirs:

I had the pleasure of using your famous White Star Baking Powder while baking those delicious dough-nuts of mine in the Exhibition grounds this year, and state that it gave universal satisfaction, as a large number of ladies enquired how they were made. I attribute the success of them to your powder and would heartily recommend it to those who want to make a success of their baking.

Yours truly,

John Morrison
