The Artistic Touch

Loses all its magnificence on an ordinary key board. How much more does an ordinary performer need a good instrument? We offer you the best in the piano world to-day.

"I had not the slightest idea that such a magnificent instrument as the Heintzman & Co. Concert Grand Piano was manufactured in Canada. Its sympathetic richness and brilliancy of tone and its wonderful singing quality, combined with the delicate ease of touch, easily place this instrument in the front rank of the leading manufacturers of the world."
