NOTE

The NEW SANITARY STANDARDS of the PRESTON DESK

It is the most important innovation of recent years in connection with school desks, and does away with the fancy dust-catching and unsanitary standards of the old style. It places the Preston Desk on an equality with any sanitary school desk made, with the added advantage of considerable lower price. And mark this—you are not asked to pay a cent extra for this great improvement

Write us stating your requirements and we will gladly furnish a quotation.
