

**A foreign prison – not like life at home.**

## **What to Do if You Are Arrested**

You should make it clear to the arresting authorities that you want to immediately notify Canadian consular staff that you have been arrested. Under the Vienna Convention on Diplomatic Relations, authorities are required to inform

you of your right to talk to and make arrangements with a consular representative. They are not required to notify the Canadian consular or diplomatic office that you are in custody or have been arrested unless you specifically ask them to do so.
