

Monuments for Battle-fields of
Canada..... \$2,000

Mr. PATERSON (Brant). What has been done in the way of erecting monuments?

Mr. PATTERSON (Huron). We have removed one of the monuments to the Senate, and I have not had an opportunity to consult with that monument up to this time, but I shall do so. I am endeavouring to carry out the wishes of the House in commemorating some of the battle-fields of Canada.

Mr. DAVIES (P.E.I.) What monuments does the hon. gentleman contemplate erecting this year?

Mr. PATTERSON (Huron). It is contemplated erecting monuments, at moderate cost, at Chateauguay, Stoney Creek, and possibly at Lundy's Lane.

Mr. DAVIES (P.E.I.) I thought you had the money last year for that.

Mr. PATTERSON (Huron). It was not spent. This is only a revote.

Mr. DENISON. I may mention to the Minister that this item of \$100 for a military institute at Toronto, appeared last year in the Estimates, and the Ontario Government also gave \$100. The item was dropped through some mistake, I imagine, and I would ask the Minister if he would insert it now.

Mr. FOSTER. It cannot be done now.

Mr. PATTERSON (Huron). I will submit the vote to the Minister of Finance and my other colleagues, and if possible, we will have it in a later estimate.

Committee rose and reported resolutions.

Mr. FOSTER moved the adjournment of the House.

Motion agreed to; and House adjourned at 10.15 p.m.

AMENDMENT TO THE DOMINION ELECTIONS ACT.

Mr. BELLEY (Translation) moved for leave to introduce Bill (No. 30) to amend the Dominion Elections Act. He said: The object of this Bill is to extend the time now fixed between the publishing of the proclamation and the nomination day, also the time between nomination and polling day, as regards the county of Chicoutimi and Saguenay. This county runs over several hundred leagues. Polls are scattered here and there in the county up to Natashquan, and it is, in fact, impossible now, within the time fixed, to take to each poll the documents required by law.
