REQUEST STAFF OF CANADIAN EMPLOYMENT AND IMMIGRATION COMMISSION BE INCREASED—MOTION UNDER S.O. 43

**Mr. Bob Kaplan (York Centre):** Mr. Speaker, I move, seconded by the hon. member for Gloucester (Mr. Breau), pursuant to the provisions of Standing Order 43 and as a matter of urgent and pressing necessity:

That the President of the Treasury Board take immediate steps to increase the allocation of manpower to the Canadian Employment and Immigration Commission so that the serious problems of overworked officials and lengthy backlogs in the Canadian immigration offices around the world can be eliminated, and so that the illegal inflow of immigrants can be better patrolled, together with fuller screening to ensure that foreign criminals and foreign government agents not be admitted to Canada.

**Mr. Speaker:** The introduction of such a motion for debate at this time can be done only with unanimous consent. Is there unanimous consent?

**Some hon. Members:** Agreed.

REQUEST LARGE TRAWLERS BE BANNED FROM OPERATING IN GULF OF ST. LAWRENCE UNTIL FISHING INDUSTRY CONSULTED—MOTION UNDER S.O. 43

**Mr. Herb Breau (Gloucester):** Mr. Speaker, I rise under the provisions of Standing Order 43 to propose a motion on a matter of urgent and pressing necessity.

In view of the seriousness of the problem resulting from the decision of the Minister of Fisheries and Oceans (Mr. McGrath) to allow trawlers of 100 feet or more to take 6,000 metric tons of cod in the 4T area of the Gulf of St. Lawrence as of November 1, I move, seconded by the hon. member for Bonaventure-Îles-de-la-Madeleine (Mr. Bujold):

That the minister keep those large trawlers out of the Gulf until such time as the spokesmen for thousands of fishermen who have not been consulted can appear before the committee on fisheries and forestry in order to express their views.

**Mr. Speaker:** The House has heard the terms of the hon. member's motion. Under Standing Order 43 such a motion requires the unanimous consent of the House. Is there unanimous consent?

### CULTURAL AFFAIRS

NATIONAL FILM BOARD—REQUEST FOR ADDITIONAL FUNDS—MOTION UNDER S.O. 43

**Mr. Mark Rose (Mission-Port Moody):** Mr. Speaker, I rise, under Standing Order 43, on a matter of urgent and pressing necessity.

This being the first anniversary of Arts Day, and considering that another Canadian success story, the world renowned National Film Board, an institution which has brought Canada international recognition, winning five Oscars and 40 Academy nominations and many other awards, an institution which has recently lost 125 skilled artists and technicians and which is in desperate straits because of an effective 25 per cent cutback imposed by the previous government, I move, seconded by the hon. member for Vancouver-Kingsway (Mr. Waddell):

That the Secretary of State seek approval from his generous colleagues on the treasury benches for an immediate \$1 million transfusion of supplementary funds in order that Canadians not lose this 40-year old cultural resource through a lingering death caused by financial starvation.

**Mr. Speaker:** The introduction of such a motion for debate at this time can be done only with unanimous consent. Is there unanimous consent?

**Some hon. Members:** Agreed.

**Some hon. Members:** No.
