BIG SALE OF HORSES AT MAHER'S EXCHANGE. The dullness which has characterized the horse market for the past couple of weeks disappeared entirely at Maher's auction sale yesterday. Two hundred horses passed under the hammer and nearly three-quarters of these were disposed of, either by auction or by private sale before the end of the day. The class of horses offered was of the very best, but the prices were rather low in comparison with the buyers present took full advantage of this and bid briskly. The local and out-of-town buyers and classes figured in the day's transactions. Some of the buyers were: Victor W. Sundridge, Ont.; R. S. O'Neill, Port W. Larn, Ont. (full carload); T. J. Sproule, Listowel, Ont.; Conner & Kerr, West. Ont. (full car of best heavy draughts); W. Blake, Pickering, Ont.; A. Davidson, Teeswater.

The city buyers were: Abel Boyd, Canad. Press Co.; J. Antonio, P. J. Sifton today raised 100 he will give a cup and \$1000 in stakes to be competed for at the Coughnagh Park Jockey Club races here in June.

MONDAY IS DATE SET FOR GAME

O. H. A. Orders Second Game of Finals for Next Week—Hockey Gossip.

At a meeting yesterday afternoon of the executive of the Ontario Hockey Association, Woodstock and Oshawa tossed as to which team would have the bye in the play-off for the semi-final in the junior series. Woodstock won. Oshawa will therefore, meet at Oshawa on Wednesday night, and Oshawa will be on Oshawa ice on Friday night.

The final series game between St. Michaels and Toronto will be played on Monday night at the Arena, the only other open time being Saturday afternoon, which was not desired.

Quinh's complaint against Timms of Woodstock over residence was dismissed. Ernie Fryer of Collingwood was warned that any more misbehavior on his part would result in expulsion.

Wellesley was awarded \$6.00 mileage against Ayr.

The executive of the Frontenac Hockey Club is indignant over the action of a mixed team of hockey players, including a couple of Queens intermediates, who played at Syracuse, N.Y., on Friday and Saturday, in the latest from Kingston.

In Syracuse appears the names of Reid, Nicholson and Purcell of Frontenac as having played with the so-called all-star Kingston team, which was defeated on Friday by four goals to two. These three players, J. T. Sutherland says, were not in Syracuse at all, and therefore, their names are wrongfully used. The Syracuse rink is under O. H. A. ban, and O.H.A. players who participate against teams there are liable to expulsion. Mr. Sutherland says the matter will be fully inquired into.

The following games in the Weston hockey tourney have been arranged: Wednesday night—Quins v. Harris, and Swifts v. N. Parkdale. Friday night—Toki Oicks v. Aura Leo, and Victorias v. Parkdale.

The game between the Beches and the Coxwells in the junior play-off will not be played tonight, as already announced, but will possibly be played on Thursday.

The Ottawa Hockey Club will drop out of the season, according to the Ottawa Hockey Club.

White Motor Cars

Electrically started and lighted
Left side drive—right hand control

ECONOMICAL to a degree that has never been attained by other cars of proportionate size and power, White Cars are to-day the logical choice of the careful and discriminating purchaser.

The cost of operation is becoming more and more important all the time. By reason of their superior design and construction, White Cars effect a distinct saving in operating expense—and White owners everywhere will substantiate this fact.

And, aside from its economical features, the White alone offers all of the advantages which are essential to the purchaser who understands and demands the most advanced ideas in motor car construction.

Monobloc engine, four-speed transmission, the logical left-side drive, with equally logical right-hand control, the simplest and most efficient electrical starting and lighting system, are some of the reasons of White superiority.

Varsity has received notice as intercollegiate hockey champions to play off with the O.H.A. champions in a sudden death game for the Allan Cup, the winner to go to Winnipeg to play Winnipeg.

The holders. This would place this game, all the receipts there under the jurisdiction of the Allan Cup secretary. Neither Varsity nor the O.H.A. winners are likely to consent to any such arrangement, the both would be willing, and with a fight, play off, but it will be under their own management, and not under control of the Allan Cup secretary—there are no trustees.

If the St. Michaels Hockey Club win the Senior O.H.A. championship they will in all probability take a trip to Europe, playing in England, France, Switzerland and Germany. Negotiations have been in progress for some time with the European hockey authorities, and latest advices are that the trip is feasible. The Oshawa team have also been promised a trip to the old country in case they win the junior championship of the O.H.A.

The Quebec hockey team may be seen in a championship series on the Pacific Coast next month. Instead of making the trip east after the Stanley Cup, Lester Patrick, manager of the Victoria team, prospective champion of the Pacific Coast League, proposes to bring the
