Splendid Value in Period Furniture

A display of furniture which carries you back in spirit to those times when the making of furniture was one of the greatest of the arts, is to be seen on the Second Floor of the Furniture Building—chairs, tables, day couches, settees, which are exact replicas of those used in the reigns of the Tudor kings and queens, in the Jacobean, Carolean, William and Mary, and Queen Anne periods. And what can be better for the modern hall, living-room or library than that beautiful furniture of long ago, whether it be like the richly-carved, cane-paneled chair or a simple little gate leg table with no ornamentation but the rope turning of its legs.

The appended list gives an idea of the moderate pricing:—

Arm Rocking Chairs, \$25.00 to \$65.00.	Tables, \$10.00 to \$90.00.	Day Couches, \$36.00 to \$70.00.
Foot Stools, \$6.50 to \$11.00.	Gate Leg Tables, \$17.50 to \$40.00.	Writing Desks, \$42.00 to \$85.00.
Settees, \$60.00 to \$190.00.		Bookcases, \$37.50 to \$82.00.

—Second Floor, Furniture Building.
