The spiendid constructive work being done by the Toronto Women's Patriotic League to ameliorate the suffering arising out of unemployment, will be graphically portrayed in the comprehensive exhibit that that organization is preparing for the Ideal Home Show, which will be held in the Arena Gardens from the 12th to the 17th of April. To provide employment for a large number of needy women thrown out of work as the result of the war, the league created a new Canadian Industry—the manufacture of toys, doils and other articles. These will be manufactured displayed and sold at the Ideal Home Show. The committee appointed to take charge of the arrangements is as follows: Mrs. C. E. Burden, Mrs. S. J. Broddy, Mrs. John Bruce and Mrs. W. H. Burns.
