Manitoba Wheat Stocks.

There were 2,061,429 bushels of wheat in store at Fort William on wheat in store at Fort William on November Bi. Receipts for the week were 1.345,149, and shipments, 727, 398. A year ago stocks in store at Fort William were 1.225,000 bushels. Fort William were 1.225,000 bushels. Stocks in store at Fort Wil-liam, Port Arthur, Keewatin, Winni-peg and interior points are estimated approximately at 8.511,000 bushels ago, and 3.500,000 bushels three years ago, and 3.500,000 bushels three years ago.

The Grain Movement

The log grain movement.

The log grain movement has kept up this week to the full extent of the 100 Monday 187 cars of grain were inspected, of which 455 were wheat. On Tuesday there were 410 cars, Wedness there were 410 cars, Wedness the 100 Monday 187 cars of grain were inspected, of which 455 were wheat. On Tuesday there were learned to the 100 Monday 187 cars of the farmers had to pile their grain upon the street, or take it home again. Every effort is being made to get as the close of navigation as possible. After navigation closes it is feared the elevators will speedly fill up, and cause a blockade, as with the long all-rail haul the railways will be un-able to move the grain fast enough to keep elevators clear for reserving

Grain and Milling Notes.

It is estimated that there will be a shortage of fifty-six million bushels in the French wheat crop.

The visible supply of wheat showed he very large increase last week of J18,000 bushels, against 1,658,000 a year ago.

year ago.

The C. P. R. will run a fast freight train weekly between North Bay and the Pacific coast for the carriage of perishable goods.

Grain buyers at Indian Head deny that there has been a serious block-ade at that place. They gay that so far no wheat has been turned away.

Shipments of outs from Manitoba to Lake Superfor ports to Nov 15, on this crop, amount to 121,000 bushels, and of barley, 22,000 bushels, in round

A good deal of wheat stealing is re-ported from the neighborhood of Hol-land, Man., and two men were com-mitted to jall this week for trial or

Another storm on Lake Supe was reported from Fort William terday, causing delay to shipp

A wheat blockade at Indian Head was reported at the end of last week. The board of trade of that place con-sidered the case so urgent that a meeting was held and it was decided by six for a larger supply of cars.

in lick for a larger supply of ears. The Montreal grain exchange, as well as the Winnipeg exchange, asked the Dominion government to allow l'utiled States hours to carry grain from Port William to Georgian Bay ports, but the government has declised in Prime the request.

From Sept. I to Nov. 15 a total of 8840,342 bushels of wheat were for-warded from Manitoba and the Terri-tories to Fort William and Port Ar-ture. In addition to shipments to these two ports, about 2,500.000 bushes have rone out via Emerson to Dubith, making ever 11,000,000 bush els of the new crop shipped out, ex-clusive of flour.

The department of agriculture, which is making the 500,000 bushed purchase of sais in the Edmonton discussion of the process of the sais and the price which is to be paid the western farmers for their oats. The price was recyclosely fixed at 24 cents per bushed, but now it will be 27 cents to the sais per bushed. But now it will be 27 cents and the 30 cents, of which 27 cents must be 30 cents, of which 27 cents must be 50 cents after the price will be 30 cents, of which 27 cents must be 50 cents from the sais to the farmer. go to the farmer.

gs to the farmer. The storm which prevailed on toke Superior for several days quieted down on Sunday A large enacutive of grain had accumulated at Fort Villiam, owing to the delay conced to shipping by the storm. A large number of delayed basis were arriving Sunday and Monday to lood accumulation of flour at Fort William shipped from Manitolo mills.

shipped from Manitolo mills.

At a meeting of the council of the Winnipeg grain exchange it was decided to wire Hom Mr. Sifton at Orlean and the Milliam to request that the text of the Milliam to request that the suspended to allow grain to be earried from Port William to Georgian Bay points for the balance of the season in United States vessels. This is sugged on the ground of insufficient and also from the fact that the Buffain elevations are congested, and cannot indicate the manifest of the manifest of the Milliam to Milliam to the Milliam to Buffain the Milliam to Milliam to Buffain the Milliam to Milliam to Buffain the Milliam to Buffain the Milliam to Buffain the Milliam to Milliam to Buffain the Milliam to Milliam to Buffain the Milliam to Milliam to Milliam to Milliam to Buffain the Milliam to Milliam At a meeting of the council of the
