DEMMOCK — On Wednesday, Aug. 9, at Victoria Hospital, London, London,

Value of independence.

Hoh. G. E. Foster was the next speaker. In alluding to the fact that Capt. Wallace stood as an independent candidate, he said that if the time ever came when the Conservative parts. came when the Conservative party could not allow freedom of thought within its ranks, it would be time for this great party to give place to another.

tackled by the grain growers with regard to the promises he had made in 1890, when he had offered as his program lower expenditure, decreased debt and free trade. He was asked why he had not fulfilled these pledges. It looks now as the the amount of and what he proposed to do in the good reads that will be built this fall future. Sir Wilfrid Laurier did not by the commission will not involve the meet these people fairly. He did not expenditure of a large amount of money explain that he had been unable to give what he had promised to the west The commission is up against all kinds of trouble, one of which is the scarcity of grants due to the large orders.

reply, but he stated definitely that he would take the matter up if returned

to power. In reply to questions on the recipro tically and squarely that he would vote against it. He would remain out of power rather than support the mea-

The difference between the two men, Mr. Foster said, was constitutional; Sir Wilfrid Laurier could not answer a question straight, while Mr. Borden Borden his strong position. tionally governed country. He refer-red to the Newmarket Canal, which from Capt. Wallace, the government had stated that there were no estimates as to the probable business on

If the government had any purpose to serve in continuing the construction of the Newmarket Canal, it was a party purpose, and therefore the money thus

dobt, taxes had risen from \$27,000,000 in 1890, to \$90,000,000 in 1910; expenditure had increased from \$40,000,000 to ture had increased from \$49,000,000 to \$121,000,000 in the same period, and the debt had grown from \$258,000,000 to \$336,000,000. In a growing country, growing expenditure, revenue and debt might be expected; but he contended that the Laurier administration had been recklessly extravagant, and the people had a right to demand an audit of the accounts.

people had a right to demand an audit of the accounts.

Trade and the Flag.

"Now when men say to me, 'Don't wave the flag; keep down to the economic side of the question'; I say to such men that we have a country, we have a flag, and an empire with which we have an cid-time, and I believe, indissoluble connection."

Mr. Foster described those in favor of reciprocity not as amnexationists.

Mr. Foster described those in favor of reciprocity not as annexationists, but merely as being foolish.

"What we have we have got for ourselves. What we have we'll hold; for we wrought it out for ourselves." He ridiculed the idea of the Canadian farmer being able to sell his surplus wheat to the United States, which grows all she wants and more.

In closing, the speaker paid a tribute In closing, the speaker paid a tribute to the manner in which Mr. Maclean

all of them had narrow escapes, none, except possibly Finnin, suffered any life between the control of the view of

"All the signs show that the country is ready for a change. I firmly believe that the vote for Sir James Whitney is to be the vote for the Conservative party in Ontario, and we shall be able to beast that Ontario turned the Laurier government out of power. Let this be the cry of the election; the Whitney vote for Borden."

The Hon. I. B. Lucas read several extracts from a speech made by Hon. G. W. Ross six years ago, in which the present reciprocity pact was prophesied and the country warned against it.

against it.

Dr. Godfrey wound up the meeting with a few highly hopeful remarks on the political situation.
