Day's Inauguration... LODGES PAID TRIBUTE TO DEPARTED BRETHREN... Funerals of John Willis and Thos. Moore Largely Attended— News of County.

WEST TORONTO, Sept. 11.—(Special.)—Two of the largest funerals held in West Toronto for some time, took place this afternoon at Prospect Cemetery. At 2:30 that of Mr. John Willis, a well known resident of West Toronto, left his late residence, accompanied by the officers and brethren of Stanley Lodge A.F. and A.M. of which he was a prominent member. Mr. Willis was 61 years of age and was for many years a foreman in the C. H. shops. He leaves two sons, Frank and Winnipeg, and two daughters, Miss Agnes, and Mrs. Whetter of Toronto.

At four o'clock the funeral procession of the late Thos. Moore left the late residence at 3 and 5 Pacific-avenue, accompanied by the officers and members of Wallace Black Preceptory and L.O. L. No. 900, of which the deceased was a member, and a multitude of mourning friends. Mr. Moore was a loyal member of St. John's Anglican Church, and was unusually liked by all with whom he came in contact. The funeral took place at St. John's church, and was performed by the Rev. T. Beverley Smith, pastor of the church. The death occurred Tuesday of Douglas, only child of Mr. Charles Underwood, only child of Mr. Thomas Underwood of 167 St. John's road. The funeral will take place to-morrow at 3 a.m. to Prospect Cemetery.

W. F. Maclean addressed about a hundred employees of the Metropolitan Railway Co. to-day in the noon hour. He expressed himself as against reciprocity and a supporter of the national policy; he believed in making our trade to suit ourselves and in keeping the Canadian market for Canadians. At the conclusion of his address he was given a rousing cheer by the men. Mr. Maclean will address an open-air meeting for all the electors of West Toronto on the reciprocity question on Saturday evening next, Sept. 16, in the Victoria rink on Dundas-street, west of High Park-avenue. The Ladies' Guild and congregation of St. Mark's Church, Ford and Connelly-streets, are holding a social party and presentation on Thursday evening for their former rector, Rev. R. Seaborn, who is leaving to take charge of St. Charles' church. The social will also partake of the nature of a reception to the new rector, Rev. Mr. Brown. The death of Mr. William McLaughlin in his 71st year occurred last night at the home of his son, Mr. W. J. McLaughlin, 50 John-street. The funeral will be held to-morrow afternoon at 3:30 o'clock to Prospect Cemetery. The Epworth League of the High Park-avenue church met to-night in the church rooms and organized the coming fall and winter season. Shekinah Chapter, R.A.M., held their regular monthly meeting to-night in the Masonic Temple, Annetta-st.

NORTH TORONTO, Sept. 11.—(Special.)—The town council met to-night in their chambers in the town hall and discussed the sewerage question. Nothing definite was decided, but the matter was left over for the next meeting. The regular monthly meeting of the High School Board of North Toronto was held to-night in the town hall. An expenditure of \$700 was voted for the purchase of such equipment as typewriters, library, boards, maps, etc., as demanded by the department of education. As the meeting was adjourned, the members of the board are looking for a suitable site with this end in view. W. F. Maclean, the Conservative anti-reciprocity candidate, for a meeting of the electors of North Toronto to-morrow (Wednesday) evening at 7:30 o'clock. Among the other important matters to be discussed at the ratemakers' meeting on Wednesday will be the questions of the tax rate and a one-fare service to and from the city of Toronto.

METROPOLITAN RAILWAY'S APPLICATION. The application of the Metropolitan Railway of Toronto and York Radial Railway for permission to move their line of Yonge-street to the first street west for three or four blocks north of the present city terminal point will be heard by the Ontario Railway and Municipal Board on Sept. 28.

SCHOMBERG, Sept. 11.—To-morrow ought to be a red letter day in Schomberg, when the Grand Union picnic will take place under the auspices of St. Patrick's R. C. Church.

Already active preparations are being made to give the entrance to the fair grounds and the building thereon a festive appearance. A large arch is being erected over the entrance which will be decorated with garlands of welcome to the visitors is placed, and the large new skating rink, where the meals will be served, is being de-

Lightning and Deluge Wrought Some Damage Oil Refinery Made Spectacular Blaze

Boils Flashed in Several Places and Many Cellars Were Visited By Floods. Down came the rain-cells were flooded, sewers broken, lights cut off, and if surmises be well founded, it was a lightning bolt which ignited 200 barrels of oil in the British American Oil Works at the foot of Cherry-street, causing a loss of \$600.

What turned out to be a not very costly but exceedingly spectacular fire burst out in one of the refining stills of the British American Oil Company at the foot of Cherry-street at 5:45 o'clock last night. It is not known whether the blaze was caused by the lightning or by a leakage from the pipes of the still into the furnace. During the electric storm there was a report from the still, and the furnace flamed out brightly as the oil poured out upon the fire. A fire hose was thrown, but it was of no use, as the flames were so great that they were not extinguished. The fire broke out across the sky and even when this first burst had subsided, the stack stood like a great torch by private line, but no telephone connection could be had with the fire department owing to the electric storm. Word was phoned from the works to the office of the company, and the fire department was notified. The fire broke out there were 500 barrels of oil in the tank of the still. About three-quarters of this was drawn off and then the rest allowed to burn out. The firemen, after extinguishing a blaze in the boiler-house near the still, were unable to do anything but watch to see that the blaze did not spread. The damage of this fire was lessened by the downpour of rain, which soaked all the roofs about the fire. Manager A. L. Ellsworth of the company said last night that the fire had not appreciably affected the company's supply of oil and gasoline, and that still was only one of five.

GENERAL SYNOD NOTES PRAYER BOOK REVISION First Step Towards Adaptation to the Needs of the Canadian Church. LONDON, Ont., Sept. 11.—The general synod of the Anglican Church this afternoon passed the resolution to revise the Book of Common Prayer. By so doing the first step was taken in modeling the Canadian prayer book on the requirements of Canadian conditions. The revision of the prayer book of the church has been awaiting for many years for a revision. The revision of the prayer book has been awaiting for many years for a revision. SIR WILFRID MAKES AN ATTACK ON BOURASSA Says Letter Should Be Ashamed of His "Disgraceful Campaign of Hypocrisy." ACTONVALE, Que., Sept. 11.—Sir Wilfrid Laurier received an ovation here, a large section of the population being at the station to meet him. After Mr. L. J. Gauthier, the Liberal candidate, had briefly addressed the crowd, Sir Wilfrid spoke from the rear of his car. The Liberal leader dwelt briefly on the reception of the navy question, concluding his speech with an onslaught on the Nationalists and their leader, Mr. Bourassa. He said that the "disgraceful campaign of hypocrisy" he is conducting in the matter of the navy question, and the ally of the Ontario Jingoes, should also be ashamed of the personal attacks his paper has been circulating through the province with the funds of the Anti-Reciprocity League.

WESTERN APPLIANCES FOR WESTERN CANADA. Within a few months the City of Winnipeg will be prepared to sell electrical energy. The great plant at Point du Bois, costing \$2,250,000, and capable of generating 100,000 horsepower, is rapidly nearing completion. The business men of Winnipeg, as well as householders generally, are looking forward with keen anticipation to the cheaper power, which will be obtained by the purchase of the plant, and the system, it may develop during negotiations that will take over the power plant of the street railway company, which supplies not only power for the railway, but also furnishes electricity for private lighting, as well as for commercial power. The rates for power at present are as follows: 6 cents per watt-hour up to 200 horsepower; 4 cents per watt-hour over 200 horsepower; 3 cents per watt-hour over 100 horsepower. Private lighting costs 4 cents per kilowatt; electricity for cooking costs 6 cents; gas, \$1.20 per 1000 feet. Public lighting, which is done by the city electric-lighting plant, costs an average of 11 cents per arc lamp per night, the total cost in 1910 being \$42,977.

Map for Birdmen. The proposed aeronautic map brought to the notice of the French Academy of Sciences is to be on a scale of one to 200,000, the sheets to be numbered, and each sheet to cover 6 degrees of longitude by 4 degrees of latitude. A circle on the map will show the exact locality of the sheet, and the number to the left will give the unit of the latitude, the unit figure of the longitude being placed on the right. These numbers on the sides of the square will give instant reference to the sheet, mapping the locality beneath the shadow of aeroplanes.

Marvelous Relief for Corns Bunions, Sore Foot Lumps Five corners on five toes for five years. Was he lame? You bet. That man was a clump—sure he was. One quarter spent of Putnam's Corn Extract is sure relief to any old kind of a corn. Putnam's cases (on in good style—lets them out quick—with-out pain, and never fails. This is why Putnam's is superior to the cheap imitations that afford the dealer more profit. Use only Putnam's Extract.
