The one topic of conversation now June 4, and continues 5 and 6th. In 1911 made it a clean-up with James I angthe Dufferin Driving Club in announcing their program, added two stakes, the Burns-bieppard Stake for 2.30 pages for 5000, and the Maner flores Exchange Stake for 2.30 trotters, 500, For 1912 they have gone one better and have put on two stakes of \$1000 each, one for 2.24 trotters and the other for 2.50 pacers, besides class races each day for good purses, and will also add one run each day to their program. From present indications everything points to this as the one pest meeting ever given in Toconto for the light harness horse in recent years at all events. The secretary has had many enquiries from outside points, from New Brunswick and the Mairtime Provinces and from Tennessee. The club will also put on the usual matinee on Good Friday, April 5, when there will be three harness races and one run. Any members of the club having horses for this meeting and wishing them named will kindly correspond or speak to the secretary. John Mead, the owner of Harry Hill, 2.11%, has bought that good green pacer, A.L.P., from P. McCarthy. John is jogging both these horses and will have them in good shape for the summer camplagn. A.L.P. was raced once this winter at the ice meeting and won the first heat around, 2.25, and was a slok horse at the time. He looks good for the slow classes this summer. Harry Hill happened with an accident last fall, but has had a layup all winter and is now jogging sound. Should he prove as good as he was in 1911 he will be a very profitable horse.

Summer Girl is the name of a nice green pacer owned by E. R. Lee, an east end merchant. Mr. Lee is a busy man, but finds time to enjoy his favorite sport behind a good driver. Summer Girl's dam was a Kentucky bred mare. I have not her breeding just at hand. Mr. Lee is very much taken with her and will no doubt get her in shape for racing this summer.
