¶ This 2,700 pairs of Men's Fashionable Summer Footwear is part of an extraordinary purchase. Whether you judge them from the viewpoint of good style, or the excellent quality, or the next-to-nothing price at which we are offering them, the loser in the deal is the man who made the boots. That concerns him. We paid him what he asked—not what they were worth. He wanted to clear the line. We had the outlet. There's the story of the transaction. And now, here are the goods:

PARI-MUTUELS THE FEATURE

Machines Liven Up the Day at Blue Bonnets, Yielding $199.50 for a $2 Ticket.

MONTREAL, June 7.—The pari-mutuel machines provided the interesting feature of a somewhat dull day's racing at Blue Bonnets to-day, paying $199.50 on a $2 ticket in the fourth race, a selling race for 3-year-olds, at the mile distance. Haideman in this event seemed almost entirely overlooked by the bettors playing the machines, most of their money being up on Lad of Langden, who was also the bookies' choice, but who only ran third. On the books Haideman was played at 12 to 1. Haideman took the lead at the second turn and, tho O'Em came fast driving hard in the stretch, and closed up a gap, Haideman, altho tiring, managed to keep his nose in front.

A long shot came over in the sixth race, a selling event, at five furlongs, for two-year-olds, when Mary Scribe ran away from a big field.

In the first race, which was a province-bred affair, Kilo maintained his reputation, easily beating Floral Crown and King Saxe, the only other starters. Summary:

$3.50 RECIPE FREE FOR WEAK MEN

Send Name and Address To-day—You Can Have it Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own home—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

This prescription comes from a physician who has made a special study of men, and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow men to send them a copy in confidence, so that any man, anywhere, who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quickly. Just drop me a line like this: Dr. A. E. Robinson, 3033 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain, ordinary envelope free of charge. A great many doctors would charge $3.00 to $5.00 for merely writing out a prescription like this—but I send it entirely free. 5 tf

Canada's Leading Horse Market

400 HORSES AT AUCTION

MONDAY JUNE 10th 225 HORSES

Sale Commencing Each Day at 11.00 a.m.

THURSDAY JUNE 13th 175 HORSES

There will be no scarcity of horses for our next week's sales, as several of our shippers have advised us that they are consigning carloads of all classes of stock to us. Many fine individual horses are in these lots, particularly some extra-choice heavy draughts. One of our shippers, a veteran horseman, is sending us the following, which he considers is worthy of special mention.

A GREY GELDING, dark dappled, six years old, 16 hands, sound and right. This horse is a magnificent animal, and is considered to be equal to winning any class open to him in the coming Open-air Horse Show. Buyers of good horses should look this one over well before buying elsewhere. He will be sold without the slightest reserve on Monday.

There will be many other high-class lots in for sale, as the class of horse coming in for sale at present is considerably above the average. To anyone wishing to purchase a horse of any class, we would say that, by attending either of our sales, your requirements can be filled quickly, safely, and to better advantage here than elsewhere. Call and see us—we have what you are looking for.

ON MONDAY AND THURSDAY WE WILL ALSO SELL a number of serviceably sound workers and drivers, consigned to us by city people who have no further use for them. These are invariably sold without reserve, many advantageous transactions being made in this class. We also have on hand a large and varied assortment of new and second-hand harness and vehicles, etc., which can be purchased either by auction or by private sale.

ALL HORSES sold with a warranty are returnable by noon the day following day of sale if not as represented.

A YONGE, Dupont, Avenue Road, Belt Line or Church car will take you to within half a block of our stables.
