

## BED BUG BANE.

### Death to Bed Bugs, Whenever Used.

THIS will be found the most certain destroyer of those abominable pests, now in use. There is nothing like it among all the various means and remedies proposed to drive away these nocturnal marauders, and enemies of "tired nature's sweet restorer, balmy sleep." It is sure and certain death, and is therefore confidently recommended to the careful house-wife as a weapon of defence against the encroachments of this hated vermin.

#### DIRECTIONS.

This mixture must be applied with a feather or paint-brush around the joints and other places the bugs inhabit.

CAUTION.—Keep it out of the way of your children;—taken internally, it is a deadly poison.

## A WORD OF ADVICE.

GREAT care should be observed in times like these, when the Cholera is doing its deadly work all around us. Many persons, no doubt, have been attacked with bowel complaints, which timely attention would have cured; but through neglect have died of cholera. If you have bowel Complaint or diarrhoea, don't neglect it; get a bottle of "Cholera Preventive," at once. It never fails, if taken in time. Carry a bottle in your pocket when you leave home. There is nothing like it. Remember, an ounce of preventive is worth a pound of cure.

#### Cholera Preventive.

FOR THE CURE OF DIARRHOEA, CHOLERA, AND SUMMER COMPLAINTS.

Twenty drops to be taken in a little water when the bowels are pained, and if not relieved, may be repeated every ten minutes.

## A BEAUTIFUL RED.

EVERY one who studies economy and beauty of color, will use "Madder Compound," as it makes a brighter color, with much less trouble than alum, and is, therefore, much cheaper. The subscriber has a large lot of the compound, and a most excellent article, with all other dye-stuffs in use, at low prices.
