

MISSIONARY AND BENEVOLENT SOCIETY.

The amount received through the Collectors, and from other sources, will, it is thought, be in advance of last year, but as the accounts have not yet been closed, the exact sum raised cannot now be stated. A full statement of the work of the Association will be submitted to the Congregation, on the 17th instant, when the Annual Report will be presented.

The excellent work performed by this Society is known to you all, and it is scarcely necessary to urge its claims further upon you than to commend it to your consideration, and to see that it does not lack funds to carry on its work of helping the poor and needy connected with us. The Treasurer reports the sum of \$132.75 as having been received, as also donations of wearing apparel, etc. The amount disbursed was \$120.26, leaving a balance in hand of \$26.45.

Besides providing for those more immediately connected with us, the usual donation was given to the Nazareth Street Sabbath School, as well as parcels of clothing to the Canning Street School and Hervey Institute.
