\$100 A YEAR WILL PURCHASE A fifty-acre farm in the township of Dawn, county of Lambton, or will exchange same for city property. Tonnent, McDonagh & Coleridge, London.

EARLY IN THE SKASON WE PREDICTED that the real estate market in city realty would be extremely active, and the many transactions on the local mark t prove that our prognostication was well founded. Even through our office alone over \$100,000 worth of real estate has been sold. The tendency among buyers is still towards further investments. The extremely low rates now being paid on savings bank deposits will have a tendency also of increasing investments in real estate. To meet this looked-for demand we have secured a number of very eligible properties. We can only mention a few in this list, but if you will call at our office we will be pleased to give you full particulars of any property you think might be suitable for your requirements. We mention a few:

Holiday Traffic the Largest Ever Known in the City.

Plans for a New Class of British Warship.

[Special London Cable Letter to The Advertiser.1

London, Aug. 12.-Bright warm weather still prevails throughout England, the wells and springs are beginning to run dry, and a serious state of things is expected unless it rains soon.

IMMENSE HOLIDAY TRAFFIC. Doubtless owing to the fine weather, the holiday traffic continues to be the largest known. The railroads to the north were specially crowded during the last few days, with those who were bound to the grouse moors.

The Prince of Wales started for Marinbad Thursday, to which place a large number of Americans and English are THE LONGEST AND BROADEST already following.

MAY DON A FEZ. His fellow-commoners have started a story that Sir Ellis Ashmead-Bartlett contemplates residing in Turkey, and donning a fez. Probably the story originated from the fact that he has just obtained concessions. for an electric traction road from Smyrna to Salonica. It is understood that some Americans will be interested in these concessions. Commenting on the subject, the Constantinople palace organ, Ikdam, says Mr. Bartlett has been one of the most distinguished well-wishers of the Osmanlis for 20 years, and that all his speeches have testified to his sound, impartial judgment and friendship for them.

NEW CLASS OF BRITISH WAR-SHIPS At the moment Emperor William was telling Congressman Foss that the

new vessel. It is designed by Sir William White, while director of naval construction, who has given a representative of the Associated Press the following particulars. "We believe she will be the greatest triumph in navai architecture, both for speed and fight-ing. She will cost, ready for sea, about a million and a quarter; her speed will be knot in excess of any British battleship, and her guns, turrets, torpedo tubes, nets and booms, will embody ideas which experiment have proved

THE FINAL SCENE

In Parliament-Mr. Foster Censures the Government-His Motion Lost.

Ottawa, Aug. 12 .- Just before prorobest peace conference is a strong navy, gation yesterday Mr. Foster made an plans had just passed the British ad- attack on the government all along miralty for an entirely new class of the line. He asked if there ever was warship. Great interest is taken in the a parliament called together and that was so hard and long at work that had accomplished as little as this parliament. (Cries of "Whose fault?") The government, he said, lacked the business ability to conduct the affairs of parliament. They started with two principal measures, and where were tnese two principal measures now? One was a redistribution of seats which would have violated the constitution and introduced a dangerous innovation, making each parliament a machine for far beyond anything attempted in this readjusting the constituencies for party purposes. Their other measure was a crusade against the senate, which had been withdrawn. Another measure they had got through after two or three years, but they had revised it

and had to acknowledge that they had saved \$2,000,000 in this way. saved \$2,000,000 in this way.

He asked where was the fast Allantic service. Where were the greater markets we were to secure? Where was there a single market anywhere that had been opened by the present government? The people of this country would have to be appealed to, and, although the government had a majority in the house, the people would say that they would not tolerate a government that had promised one thing and in every case had done di-rectly the opposite, had repudiated

their every promise the moment they got into office. Mr. Foster concluded by moving set of resolutions condemning the government for failing to carry out its pledges, and stating that its extravagance, lack of principle and incapacity calls for censure by the house and the

to 12. Then it was arranged that Mr. Fielding should reply at 3 o'clock, and he was still speaking when the Black Rod pounded three times in accordance with the fundamental principles of the British constitution. Mr. Fielding abruptly closed his peroration. IN THE DIME MUSEUM.

The motion was lost by a vote of 29

coming as near the cage of the big snake as his own limitations would permit "Well," said the snake, in an injured tone, "I don't see where your eyes are. I shed my old skin yesterday."

"Anything new?" asked the monkey.
