

Spiff Suits For... Nifty Boys

The way our fine suits went out last week was most gratifying to our buyer, who is a great advocate of the BEST for boys. In our showing for spring we have introduced the best worsteds that money can buy. Our styles have been selected with the greatest care and the numerous pleased customers who daily throng our Boys' Department is the very best proof we have that our efforts are fully appreciated.

"COME ON IN" with your boys.

ATTEMPT TO WRECK TRAIN AND KILL MARQUIS ITO

Japanese Aroused by Growth of Chinese Boycott—Coreans Flee Over the Border.

SHANGHAI, April 20.—(Special.)—The Korean insurgents to-day made an unsuccessful attempt to wreck the Seoul train, containing Marquis Ito.

Hundreds of Koreans are crossing the frontier to escape the cruelties of the Japanese, and are becoming Chinese subjects.

Japanese newspapers are accusing British merchants in Hongkong of secretly fomenting the boycott which is causing increasing alarm to Japan.

The movement has up to now been conducted with the greatest orderliness, and the Japanese agents provocateurs are attempting to provoke trouble by endeavoring to force the Cantoneses to purchase goods and quarrelling when they refuse.

The twenty-five-mile railway from Shanghai to Sungkeank, constructed entirely by Chinese engineers and capital, was opened to traffic yesterday.

His Wedding To-Day.
BOSTON, Mass., April 20.—(Special.)—J. C. Grant of the Montreal harbor staff met his fiancée on arrival from England to-day, and will be married to-morrow.

The Toronto Ministerial Association will attempt something in the way of religious services at the Weston Sanatorium, and yesterday appointed a committee to report on what can be done.

WHY REGAL LAGER Is Good For Women.

BECAUSE Regal Lager is so made, and made of materials of such quality and purity, that it is a real food-drink and a sustaining beverage of marked nutriment qualities.

And because Regal Lager is "lagered," or aged, long and slowly, to develop and ripen its fine flavor and its high food-values.

Therefore it is the lager of lagers for women to drink at meals and before bedtime, since it will not cause biliousness. Many beers do make women bilious, because they are not fully lagered, and because women are specially prone to biliousness.

But Regal Lager is good for women, both for what it does do and what it doesn't and won't do. You had better try it in your own home. Your dealer can supply Regal Beer (in bottles only). If he won't, let us know and we will see that you get it.

HAMILTON'S ANGLICAN CHURCHES PROSPEROUS

Another Toronto Lady Has Purse Snatched by Bold Thief—General News of the City.

HAMILTON, April 20.—(Special.)—The purse snatchers are still busy. The latest victim was Mrs. Hattie, 488 Logan-avenue, Toronto. While standing with a wedding party at the T. H. and B. Station this evening, a man grabbed her purse, containing \$5, and escaped.

The vestry meetings of the Anglican churches of the city showed that all the congregations had enjoyed prosperity. The congregation of Christ Church Cathedral raised the large sum of \$22,139 and paid \$11,000 of the mortgage. There was a balance on hand of over \$1500. H. B. Witton and H. H. Champ were elected wardens. The congregation showed an increase over last year. The total increase amounted to \$175.

At All Saints' Church the contributions amounted to \$450. Thomas W. Hand was elected the rector's warden. Percy Dymally the rector's warden, and Chas. Lemon the lay delegate. The sum of \$500 will be spent on repairing the church.

The meeting at St. Peter's Church empowered the executive committee to consider the question of enlarging the building. The receipts of the year amounted to \$2750. H. Taylor and C. Maginnis were appointed wardens. The meeting at St. Thomas' Church was adjourned for two weeks.

Cataract Co. Appeals.
To-day the Cataract Power Company served the city with notice that it would appeal to the court of appeal against the order of Judge Snider alighting the city a cut of \$15.50 a lamp per year in the street lighting rate. The city will also enter an appeal and ask for a reduction of the rate.

STEEL RAIL MILL AT SAULT STE. MARIE CLOSED

Had Fared Better During Depression Than Any Other on Continent—Only Temporary.

SAULT STE. MARIE, Ont., April 20.—(Special.)—Saturday afternoon the rail mill of the Algoma Steel Company of the Lake Superior Corporation ceased operations for an indefinite period, and since that time many rumors have been afloat as to reasons connected with the closing down of the industry.

Some reports had it that the plant had passed into the hands of the steel trust, and others that F. H. Clergue had associated his interests with the steel trust and had succeeded in acquiring control of a sufficient amount of stock to practically control the plant.

These rumors are denied by a statement made to your correspondent to-day by D. D. Lewis, superintendent of the plant. He said that the company was not closing down the plant, but was merely suspending operations for a few days.

"At noon on Saturday the following notice was posted throughout the plant: 'Owing to the unexpected condition of the rail market, the open hearth, bessemer and blooming mill will suspend operations this Saturday. The steel mill will continue to operate. No work will continue when the works will resume.'"

"This notice was a surprise and disappointment to employees of the company, as it was so unexpected. The necessity of these notices was forced on the company so suddenly that they had no alternative, owing to conditions of the rail market and the failure of orders already arranged for to materialize."

Mr. Lewis felt very keenly over the necessity of this move, and assured the men that just as soon as orders will materialize notices will be posted as to when the works will resume. In the meantime it is the intention of the company to take care of as many men as they can with the opening of the plant, as they will begin to receive orders and deliver rails, which are now piled in the yard waiting for the opening of navigation. The blast furnaces will not be affected by the temporary suspension of the mill, but will keep on and accumulate a stock of iron, when the company will be strongly entrenched for a successful campaign after starting."

None Fared Better.
"I assure you," said Mr. Lewis, "that the Algoma Steel Company has fared better than any rail mill on the American continent since the depression in business and the financial stringency which the country is now experiencing. As a matter of fact there are rail mills in the United States which have scarcely done anything since November, and I feel that with the coming of spring and the opening of navigation, the God's bright sunshine, these conditions and the community to be patient and bear with the company in its disappointments, which, of course, cannot help but be felt keenly with an enterprise of its magnitude, involving such an expenditure, being tide."

The announcement of Mr. Lewis will have its effect on the men, who are now feeling a little better because of the temporary closing down of the plant.

A press despatch from Winnipeg to-day, to the effect that the Canadian Northern and Canadian Pacific will cancel the working schedule of the men on May 1, bears out the statement made by Mr. Lewis.

Sp. Emsley, who was in the Regina railway wreck last fall, is recovering from his injuries and is present on a visit to his uncle, J. Spink Albany, avenue. He is a son of the Rev. Mr. Emsley of Nanaimo.

The new Patrie Building was opened to-day with great eclat and it is a credit to Canadian journalism and to the energy of the Messrs. Tarte.

"The Factory Behind the Store." Tremendous Sacrifice of Umbrellas

We are determined to brush up trade in our Umbrella Department, and for the next week will endeavor to do everything we can to turn Umbrellas into cash. We are not thinking of profit, but only of reducing the stock. The people of this city know umbrella values, and all we ask is an investigation of these bargains. Being manufacturers, East's Umbrella prices are always from 25 to 30 per cent. cheaper than elsewhere, therefore, the prices offered just now represent reductions the equal of which have never been offered in Toronto. Come to-morrow. These items will give you some idea of "what's doing":

A line of Ladies' and Men's \$5 Umbrellas, beautifully finished in great variety of handles, mounted and unmounted..... 2.95
\$3 and \$3.50 Ladies' and Men's Umbrellas, big variety of styles 1.95
to choose from..... .50

DEADLY CURIOSITY.

Men went Back When Dynamite Did Not Explode.

QUEBEC, April 20.—The disastrous premature explosion which occurred on the new line of the transcontinental railway on Saturday afternoon last, and which hurtled nine workmen to instant death, has cast a gloom over the whole County of Beauce, more heavily because the blast occurred over the little parish of St. Caetan, where the disaster occurred, and within a stone's throw of which stood the homes of five of the unfortunate victims. The men were engaged in preparing the roadbed for the ties and were engaged in removing rock which obstructed the way, for which purpose they used dynamite. It was a repetition of the old story which has sent so many to eternity. The fuse was ignited and as the explosion failed to occur within the usual time the men approached to ascertain the cause, but when they were in close proximity the report was heard, and to the horror of those at a safe distance off, fully a dozen of the homes of the little parish of St. Caetan were blown into the air.

News of the disaster was quickly sent to the adjoining villages, and the start cannot be long in coming. The fact while all the physicians within a radius of thirty miles hastened to render medical aid.
