NORTH TORONTO, July 25.—(Special.)—The condition of Councillor Wm. Parke, whose serious illness has been noted, has somewhat improved within the last day and the brightest hopes are now entertained for his speedy restoration to complete health.

In the absence of the minister, Rev. Mr. Back, the pulpit of the Eglinton Presbyterian Church was occupied this morning and evening by Rev. Mr. Turner. There was a good attendance at each of the services. WEST TORONTO, July 25.—The Royce-avenue crosing, or "the death-trap" as it is getting to be locally designated, was the scene of another accident to-night. Mrs. Mary Pym, an old lady, 72 years of age in fact, who has been staying with her daughter, Mrs. Bell, 302 Perth-avenue, was crossing the tracks at Royce-avenue and Dundas-street at 9.05 p.m., when she was struck and seriously injured each of the services.

The train was immediately stopped and the conductor and brakeman carried the lady to the butcher shop at the corner of Royce and Osler-avenues. Dr. Matheson. 1279 Churches the pastors were in charge. The Sabbath schools were all well attended.

The fine dry sunny weather of to-day has had a good effect upon the roads in town, which are again passable. When the big problems at present under hand are satisfactorily adjusted and carried to completion, the town fathers will be in a position to deal practically with the improvement of the streets.
