BLACKBURNE TO PLAY AT SHORT STOP TODAY

Leafs Arrive Home Well Satisfied With Their Latest Trip—Baseball News and Gossip.

The Toronto ball team arrived home yesterday well satisfied with the result of their latest trip. The Leafs are working together and have the idea that Joe Birmingham will lead them to a championship. The new youngster, Smith, has more than the average share of pep and will fit in well with the club. He will be at short for the two games today at the island when the Torontos will line up as follows against Rochester:

Truesdale 2b., Smith s.s., Murray cf., Graham 1b., Thompson lf., McKee and Kelly, c., Blackburne 3b., Trout or Birmingham rf., McTigue and Shocker p.

McTigue will pitch the morning game and Shocker in the afternoon.

A Washington despatch says Agnew, catching for Boston, was arrested and removed from the American League park in the third innings of yesterday's game, after he had knocked down Clark Griffith, manager of the Washington team. The fight followed a row between Mays, Boston pitcher, and McBride, captain of the Washington team. McBride threw a bat at Mays, after being hit by a pitched ball.

It is not likely that the Cleveland innovation of numbering ball players will become a general habit. But what would be a boon to the fans is pointed out by a Pittsburg writer, who says: "Score cards are printed and score boards erected. All good enough as far as it goes. That's where the concession privilege ends, however, as it has been the experience of the fans that, after they had spent their nickel, they were taking a chance on having things wrong. At Forbes Field time and again the umpires have failed to make any announcement of any changes in the line-up. Even the scribes have gone along for several innings recording plays for a fellow who, perhaps, was on the bench or not in uniform that day. The rules call for the line-up from the umpire, but it is not done. A great many times the scoreboard fails to give the right information. It seems as tho the magnates stage guessing contests for the fans, and if they guess who is playing a certain position they are all right; if they don't, well, the concession fellow has the nickel for the score-card anyway. The Cleveland stuff was probably pulled just for a novelty, but if more attention were paid to fans and rules prescribed for umpires about giving the right line-ups were enforced, there would be several more admissions to be slipped thru the gate. Just service and right treatment, that is what the fans want, not novelties."

The White Sox are climbing. They downed the Tigers again and went into third place in the American League.

The Giants batted the great Alexander out of the box and beat the Phillies. Robertson's home in the fifth, with Burns on the paths, won the game.

The Yankees gave the Athletics a whitewash ducking yesterday. Donovan's men hit Bush hard to make it three straight.

Buck Herzog was responsible for the Reds' defeat. His boots in the ninth innings gave Pittsburg a one-run victory.

Pich came back and allowed Rochester five scattered hits. Newark handed out a whitewash dose.

The Naps finally came thru. Beebe, the former Bison pitcher, won his second straight. An error spoiled him from shutting out the Browns.

The whole Baltimore pitching staff could not stop Richmond yesterday. The Virginians corralled 19 hits and 22 runs.

Mays only allowed Washington two hits and was never in trouble, except in the third inning when a free fight was staged, as explained elsewhere. Boston scored six runs.

Despite the fact that Providence scored four runs in the seventh, Buffalo won. The Bisons piled up six runs early.

The Braves came thru when hits were needed and beat the National League leaders handily.

The Leafs won nine and lost five on the last road trip, a very creditable performance.

DILLON'S HOME TOWN PROUD OF MAN-KILLER

Ernest Coulter Price is Real Name of Fighter Who Whaled Frank Moran.

Frankfort, Ind., was all agog Thursday night over the result of the fight between Jack Dillon and Frank Moran, for it was there, on Feb. 2, 1891, that Dillon was born and christened Ernest Coulter Price. Everyone was hoping that he would win, and great excitement prevailed, as bulletins on the fight by rounds were received. Altho young Price left here when a boy, before he assumed a fighter's name and gained fame in the ring, this city still claims him as its own.

Fighting like a young wildcat, Dillon, the good little man from Indianapolis, gave Frank Moran, the good big man from Pittsburg, a sound thrashing in a ten-round bout, that thrilled 20,000 spectators from start to finish.

Dillon, called the "giant killer," gave one of the most spectacular exhibitions of gameness seen in a New York ring in years. Moran, 35 pounds heavier and five and a half inches taller, pounded his smaller adversary without mercy in the third round, after landing his famous pile-driver right. Dillon was reeling and apparently about to be knocked out when the bell saved him.

The brief rest of a minute between rounds meant a difference of victory and defeat for Jack Dillon.

When the fourth round began he rushed from his corner, as in all preceding ones, landed a hard right to Moran's face, and overwhelmed the Pittsburger on boxing points all the rest of the way. Moran was a veritable novice before Dillon. He could not land a blow, nor could he prevent Dillon from sinking his gloved fists into his unprotected body and face. Undoubtedly only Moran's excessive weight and strength saved him from a knock-out. Moran weighed 204, while Dillon only carried 169 pounds into the ring.

WILSON TO INTERVENE ON CASEMENT'S BEHALF?

New Jersey Senator Calls on President to Take Action.

WASHINGTON, June 30.—A resolution requesting the president to ask the British Government for a stay of the execution of Sir Roger Casement, the Irish leader convicted of treason yesterday in London, pending presentation of new facts was introduced in the senate today by Senator Martine of New Jersey. Immediate consideration was sought, but on insistence of Senator Stone it was referred to the foreign relations committee.

"I realize," said Senator Martine, "that this is a good way from the point of action, but human sympathy is much the same the world over, and I simply request that the president take this course, convinced as I am that due regard to justice has been ignored."

LIVELY ROW MARS WASHINGTON GAME

Agnew Arrested When He Hit Griffith—Three for the Yankees.

At Washington (American)—A row between Captain McBride of the Washington team and Mays, the Boston pitcher, precipitated a clash in the third innings of yesterday's game here, that threatened for a time to develop into a general fight among the players of the two clubs. The police restored order, and, after Agnew, a Boston catcher, had been arrested, and Captain McBride and Manager Griffiths of the Washingtons put off the field, the game was resumed, and Boston won, 6 to 1. The trouble started when Mays hit McBride with a pitched ball. McBride responded by throwing his bat at the pitcher, who was almost immediately surrounded by a score of players. Then the police got into action, but did not reach the angry knot in the centre of the diamond until Agnew had hit Griffiths a blow in the face. Agnew was taken to police headquarters, where he put up $60 to guarantee his appearance today in court to answer a charge of assault. Mays allowed only two hits during the game, while both Gallia and Ayers were ineffective. Score:

R.H.E.
Boston .....0 1 0 0 0 0 1 0 4—6 8 1
Washington ...0 0 0 0 0 0 1 0 0—1 2 2

Batteries—Mays and Thomas; Gallia, Ayres, Shaw and Henry.

At Cleveland—Cleveland broke its losing streak by defeating St. Louis, 2 to 1. Beebe, who in his first American League game Monday shut out Chicago, would have registered another shut-out but for an error by Evans in the eighth. Cleveland got its runs on a pass to Chapman, Speaker's triple and an infield out. The score:

R.H.E.
St. Louis .....0 0 0 0 0 0 0 1 0—1 3 2
Cleveland .....0 0 0 2 0 0 0 0 *—2 4 1

Batteries—Groom, Koob and Severoid, Hartley; Beebe and O'Neill.

At Philadelphia—New York hit Bush's delivery hard and shut out Philadelphia, 7 to 0. It was New York's third straight victory over the Athletics. Score:

R.H.E.
New York ....2 1 0 0 1 3 0 0 0—7 10 1
Philadelphia ...0 0 0 0 0 0 0 0 0—0 8 2

Batteries—Fisher and Nunamaker; Bush and Meyer.

At Chicago—The White Sox went into third place yesterday by virtue of another victory over Detroit, 5 to 2, while Washington was losing. Some timely hits off Dauss, his own errors in the third innings, and two passed balls by Stanage in the same session, were factors in the Chicago victory. Score:

R.H.E.
Detroit .....0 0 0 0 0 0 0 2—2 5 2
Chicago .....0 1 2 0 0 0 0 2 *—5 6 1

Batteries—Dauss and Stanage; Scott and Schalk.

Athletic Activity at Elizabeth Playgrounds

Elizabeth Playground is the scene of considerable athletic activity these days. There is something doing from early morning until after nine at night, playground baseball, volley ball, tennis, quoits, track athletics each claiming its enthusiastis. The house league for school boys is now well under way and the boys are having a battle royal for points. In the Senior Playground Baseball League the Elizabeth team looks like a smooth aggregation, defeating St. Andrews in the opening game quite handily. Elizabeth is doing well in hard baseball also, with the intermediate unlimited team heading its league, and the junior team giving the leaders of its league a close run. The senior and intermediate 115-lb. teams are by no means out of the race in their leagues. On athletic night each boy did his best to "bust" a record. Some very wood work was done, as the results will show. In Davenport, the jump and short distance man, Elizabeth has a man who should take a place in any company. Results:

Highlanders, Soccer Champions of Niagara

The game was fast and exciting all thru and the 169th team deserved at least a goal or two, but the luck was against them.

The kilties were on top most of the time and played their usual strong, consistent game, and their wonderful combination rushes were the features of the game. They have not been defeated this year and will be heard from again when in Borden Camp.

Lieut.-Col. Williams at the end of the game presented to the kilties the championship banner donated by the Military Y.M.C.A. Lieut.-Col. Duncan Donald, in accepting the banner, congratulated the team on the splendid sportsmanship shown thruout the series, and pointed out the intrinsic value of clean sport, especially to the men in training. Major Allan, Capt. Wright and many other officers, besides thousands of men, witnessed the game.

DELAYS KELLY'S SENTENCE FOR HEARING OF APPEAL

Winnipeg Court Allows Time to Apply for New Trial.

WINNIPEG, June 30.—The first formal step in the course of action which theh defence counsel hopes will secure a new trial for Thomas Kelly, was taken this afternoon when H. H. Dewart and R. T. Harding appeared before Justice Prendergast, Mr. R. A. Bonnar for the crown moved that sentence be passed on Kelly.

Mr. Dewart reminded the judge of his statement that he would grant a reserve case to the court of appeal and presented an outline of the points of law upon which he wanted the appellate court to rule. He also asked that sentence be deferred until the case had been argued before the appeal court, and the judge said he would grant this during the present appeal at least.

The court decided to meet Tuesday to argue the reserved case further.
