

other securities to the amount of \$5,000,000, to permit the commission to purchase the Ontario Power Company and certain other minor properties. Sinking fund payments by the municipalities having been deferred under the terms of the power commission act for a period of five years after the date when each municipal commission first commences operating, the province has to this point received about \$55,000,000 in advances of these advances. Upon estimates of the commission and its engineers upwards of \$25,000,000 will now be required from the municipalities in the next two years to complete works in course of construction and meet maturing liabilities which are further \$100,000 to \$25,000,000 may require to be provided by the sale of issue of bonds of the commission—guaranteed by the province—for the purposes of hydro-electric railway lines. With present abnormal costs it is stated that the commission may find it to be against the interests of the municipalities to proceed too rapidly with construction work on such Hydro-Electric railway lines, as to do otherwise may impose serious burdens for the municipalities. The sale or issue of the \$25,000,000 to \$25,000,000 of bonds mentioned may be effected gradually in such a manner as to avoid any event, however, the total amount now in contemplation to be provided on the credit of the municipalities is upwards of \$65,000,000, or an amount in excess of the province's present debt of the province. With such expenditures made upwards of \$105,000,000 will stand invested in Hydro-Electric enterprises and the Ontario system and of this amount approximately \$65,000,000 will be represented by municipalities, the excess of construction and operation of which are still matters for the future to determine.

COMMONS VOTES INTERIM SUPPLY
Total is Over Sixty Million Dollars or One-Sixth Total of Estimates.

Ottawa, March 26.—(By Canadian Press).—Sir Henry Drayton introduced an interim supply bill in the house today, which authorizes the government to expend one-sixth of the total amount of the estimates.

Hon. W. L. Mackenzie King stated that the opposition would only agree to such a vote on the distinct understanding that it would not prejudice any member from objecting to or refusing to pass any specific item in the estimates.

Sir Henry Drayton agreed to this. The action taken was merely the usual one for the purpose of enabling the government to carry on, pay salaries and interest. Mr. Lucien Cannon asked the chairman, Deputy Speaker Bovin, what his understanding on the matter was. If the interim bill was carried, would a member have the right to move that a specific item should be struck from the estimates.

Routing by Speaker.
The deputy speaker said that, although the government would be authorized to spend one-sixth on any item, it was yet in the power of a member to move that such an item should be struck from the estimates. If such a motion was made, and the one-sixth voted had not been expended, the government, of course, would not have the right to spend that money.

Legal Requirements.
Money raised by the province for the purposes of any department of the government or for the purposes of the audit act, be paid over without a vote of the legislature and when so voted they are not subject to the amount. Under the act regulating its powers the commission has authority to issue bonds and to guarantee the same, but no interest is imposed in the acts with respect to the aggregate amount of bonds which the commission may issue and the treasurer of the province guarantee, with the approval of the lieutenant-governor in council, the liability of the province is the same to all intents and purposes, whether it raises money direct or guarantees bonds of any other amount. Under the act regulating its powers the commission has authority to issue bonds and to guarantee the same, but no interest is imposed in the acts with respect to the aggregate amount of bonds which the commission may issue and the treasurer of the province guarantee, with the approval of the lieutenant-governor in council, the liability of the province is the same to all intents and purposes, whether it raises money direct or guarantees bonds of any other amount. Under the act regulating its powers the commission has authority to issue bonds and to guarantee the same, but no interest is imposed in the acts with respect to the aggregate amount of bonds which the commission may issue and the treasurer of the province guarantee, with the approval of the lieutenant-governor in council, the liability of the province is the same to all intents and purposes, whether it raises money direct or guarantees bonds of any other amount.

Costs Have Increased.
When the Hydro municipal scheme was first introduced, the cost of construction was, comparatively speaking, moderate, and interest rates 4 per cent. per annum. It is apparent, however, that the cost of construction are nearly double what they were, and that the cost of interest is also about 6 per cent. per annum. On a double cost—about three times as much per horsepower as before. Where purchases are effected by the issue of 6 per cent. bonds also the difference between the present and the former rates of interest must be met by the issue of the increased amount of bonds to cover the same amount of work. The present costs of construction are permanent and that they will not recede in the future, then attention must be paid to these conditions; on the other hand, it is believed that the costs of construction will be lower than they are generally expected—it would seem to enter upon construction of any new works at the present time, except those of the most pressing and immediate necessity, unless the municipalities can see no reason why their support of the commission should not be continued by the province.

Higher Rates Likely.
Unexpectedly high costs of operation met with subsequent to the date when adjustments of rates were made were responsible to a considerable degree for underpayments for power by many of the municipalities in the fiscal year ending Oct. 31, 1925. Under those circumstances attach but little importance to many of such underpayments, which can readily be made good by increases in rates. It is apparent, however, that higher rates must now be paid by many of the municipalities, but with their payment most substantial advantage will still remain to the municipalities if such rates be compared with the present extremely high costs of steam generated power.

With due regard to the above conditions it can be seen that the support of the commission should not be discontinued by the province.
G. T. Clarkson, F.C.A., Of Clarkson, Gordon and Dilworth, Chartered Accountants, Toronto.

DOGS SAVED FAMILY.
New York, March 26.—The actions of two dogs prevented Charles Whelan, caretaker, his wife, daughter and girl companion from being burned to death today when fire broke out in the old Bensonhurst Hotel at Bath Beach. One dog pulled the bed clothes off Whelan, while the other barked in the cellar.

HOUSING SITUATION ACUTE.
Brantford, Ont., March 26.—(Special).—The housing question is growing more and more acute. The number of families doubling up is increasing at an unprecedented rate, while it is almost impossible to rent a home.

YOUNG FARMERS MEET.
Brantford, March 26.—(Special).—When the Young Farmers' Association met here today there were 110 members present. Plans for a tour around the Brigs in June were enthusiastically discussed.

U.F.O. TO OPPOSE LIBERAL LEADER.
A mass meeting of North York U.F.O. members will be held in Newmarket on April 15, when a candidate will be nominated to oppose Hon. W. L. Mackenzie King and J. A. M. Armstrong in the next election.

CITY BY-LAW No. 6388

Reads
No more galvanized water service pipes under ground. Must be lead pipe. When your supply pipe springs a leak it must be renewed. That means a trench must be dug from street line to inside of building.

WE DO THAT
We employ expert trenchmen, also men to lay the pipe and make the fill-in complete. That's PART OF OUR SERVICE.

WHY THE FARMERS ARE IN POLITICS

U.F.O. Secretary Says They Are There to Better Country Life.
"Why the farmers are in politics" was the subject of an interesting address delivered by Morrison, secretary of the U.F.O., delivered at a men's banquet held under the auspices of Danforth Methodist Men's Club in the Basement Hall, Danforth avenue, last night. Harrison Miller occupied the chair. Mr. Morrison pointed out that the U.F.O. stood first of all for the farmer, commercially, educationally, socially, morally and politically. The last three were all related as all the foregoing conditions should be considered the speaker said, "All the U.F.O. ask is a system of fair play and a contented people. The country is just what we have made it and it is our own fault if Canada has had a free franchise sometime."

ANTI-SALOON MEN STIR UP TROUBLE

Speaker at Liberty League Meeting Tells of American Organization.
That the Anti-Saloon League in the United States is stirring up religious hatred between the Protestants and Catholics was the statement made by W. J. Penley, Cobalt, the speaker of the evening, at a well attended gathering in St. George's Hall last night, held under the auspices of the Liberty League, T. L. Carruthers, general secretary, in the chair. Mr. Penley asserted that the fires of hatred stirred up by that organization, will, if not checked, be duplicated in Canada as to the most suitable name, Alex. MacGregor, K.C., who was asked by the ladies' auxiliary to speak on the subject, declared that he thought the city should give to Earlscourt a couple of German cannon from those captured during the war. The ladies' auxiliary in connection with Earlscourt soldiers had done in the war. The ladies present thought this was a great and good suggestion and they were in favour of the idea and will make an effort to get the consent of the city government to hand over the guns at the proper time.

WANT WATER TROUGH AWAY FROM CHURCH

The agitation for the removal of the water trough in front of the Baptist Church is still being maintained by the church officials, owing to the refusal of Works Commissioner R. C. Harris to remove the same, claiming that there should be no complaint, as far as the church is concerned. The matter will be brought to the attention of the works committee at their next meeting.

RODEN SCHOOL NEEDS ADDITIONAL ROOMS

Also two additional rooms were opened recently in Roden school, Ashdale avenue, a congested condition still remains. This school contains 27 rooms and two portables in the school grounds and is filled to capacity with a total number of 1,275 pupils. According to the statement of a member of the school staff, twelve additional new rooms will be required within the next two years. "Some school buildings should have been at least twenty years ago to cope with the present difficulty," he said.

HONORED EX-TREASURER.

The members of Rhoads Avenue Baptist Missionary Circle and Ladies' Aid met at the home of Mrs. Robert Watson, 47 Knox avenue, last evening when Mrs. Watson was presented with a set of table spoons on behalf of the visitors by Mrs. Kelley, wife of Rev. A. A. Kelley, pastor. Mrs. Watson was formerly treasurer of the Missionary Circle, and an efficient worker for many years.

MAY EXTEND RADIAL

Brantford, March 26.—(Special).—The city is taking up with the government the question of extending the radial from Brigs to Cainsville. The stretch from Brantford to Cainsville is to be paved as part of the provincial highway, and the work of track-laying must proceed now or cause serious trouble and expense afterwards.

COUNTY COUNCIL TO OPEN STREETS

Will Discuss New Roadways With Trustees of Prospect Cemetery.
Solicitor J. H. Spence of York township has been instructed by council to put in a defence to the suit entered by the city, against the township for building and using catch basins on streets in the Oakwood district which, it is alleged, turn township storm water into the city sewers. The township succeeded in having an act passed last year, compelling the city to succeed in the township sewer connection on certain streets, but it is alleged that the draining of storm water into the city sewers, was specifically forbidden under the terms of the agreement. The city is asking for a restraining order and also for damages.

FARMERS PREDICT FINE WEATHER

With an Early Seeding.
Plowing has started, the maple syrup season is in full swing, the phenomenal run of sap, and most county roads in excellent condition for motoring, are some of the changes in country conditions during the last week. So far as is known, the first furrow was turned by John Sheppard, a market gardener, living half-way between Lambton Mills and Islington, who plowed more than half an acre yesterday, and parts of soil in excellent condition, the furrows turning over like ashes. The field is in a well-drained flat.

POULTRY ASSOCIATION HOLDS SPLENDID SHOW

The Earlscourt Pet Stock and Poultry Association held their regular bi-monthly show in the basement of 1232 St. Clair avenue, a large number of birds of many varieties being shown. All the available space in the basement was taken up with the birds and local poultry fanciers. The judge was R. B. Fox, White Leghorns, Plymouth Rocks, Anconas, Plymouth Barred Rocks, Buff Orpingtons, Rhode Island Red, Silver Spangled Hamburgs, Partridge and White Wyandottes, were among the birds shown. R. R. Harris is the president and W. S. Sanderson secretary.

EARLSCOURT MEMORIAL PARK.

"Earlscourt Memorial Park" seems to be the name that most residents would prefer to have the Royce property in the City of York, Ontario, named. The meeting called last night at Belmont Hall by the ladies' auxiliary was only attended by a few people and the subject was not discussed as to the most suitable name, Alex. MacGregor, K.C., who was asked by the ladies' auxiliary to speak on the subject, declared that he thought the city should give to Earlscourt a couple of German cannon from those captured during the war. The ladies' auxiliary in connection with Earlscourt soldiers had done in the war. The ladies present thought this was a great and good suggestion and they were in favour of the idea and will make an effort to get the consent of the city government to hand over the guns at the proper time.

NOT DISFRANCHISING NATURALIZED ALIENS

(Continued From Page 1.)
to determine the naturalization of such citizens in such a manner that all persons naturalized in Canada should be British subjects. It conformed with legislation which was practically uniform throughout the empire, and that any subject of an enemy state could obtain naturalization in Canada at the period of 10 years at the latest, after act of last year. The present bill, however, would make an effort to get the consent of the city government to hand over the guns at the proper time.

RECOVERED FROM ILLNESS.

Mrs. Jenkins, an ex-president of the ladies' auxiliary, G.W.V.A., has recovered from a serious illness and is now back to her home on Ossington avenue. Mrs. Jenkins has been most successful in collecting funds for the various local institutions here and with Miss Church was one of the founders of the ladies' auxiliary in connection with the Earlscourt branch of the G.W.V.A. Her husband was at the front on active service for three and a half years.

PAGE AVENUE BAPTISTS

Page Avenue Baptist Church young women of the church are giving a social entertainment, Dr. Harris presided, and after an excellent repast a short musical program was contributed and a large number were present.

LIGHT FOR GALT AVENUE.

The property commissioner has decided to place a light at the top end of Galt avenue, near Jones avenue, according to the statement of Alderman R. Honeyford. The Riverdale Ratepayers' Association made repeated applications for some time past for this much-needed improvement, on behalf of the residents in the section.

CHOIR TO SING CANTATA.

St. Matthew's Anglican Church choir, First avenue, will sing the cantata, "Olivet to Calvary," at a revival service tomorrow. Rev. Dr. Seager will preach.

MAY EXTEND RADIAL

Brantford, March 26.—(Special).—The city is taking up with the government the question of extending the radial from Brigs to Cainsville. The stretch from Brantford to Cainsville is to be paved as part of the provincial highway, and the work of track-laying must proceed now or cause serious trouble and expense afterwards.

HAMILTON

Hamilton, March 26.—The police were notified late this afternoon by Harry Smith, a young boy residing at 134 Burlington street east, that the body of a woman was floating in the bay off Ferguson avenue. Constables Lalonde and Coburn were dispatched to the scene, but did not find any trace of the body. They were of the opinion that the strong wind and choppy waves had carried it out again. About a month ago, Mrs. Frank Vick- tor disappeared. Her mummy was found floating on the bay at that time, and it is believed that it was her body the boy saw. The police intend to conduct a search for the body tomorrow, if the wind dies down.

JAMES H. WESTMAN DEAD.

Mr. James Henry Westman of the firm of Westman & Baker, manufacturers of printing machinery, died early this morning at the family residence, 38 Roscoe avenue, Toronto, after a short illness. Mr. Westman, who was in his 72nd year, had been a member of the Methodist Church for over thirty years, and was a life member of King Solomon's Masonic Lodge. He survived his wife for three years. He was having difficulty in February. The late Dr. Samuel H. Westman was his son. Four daughters were left to mourn their loss. Miss Minnie E. Westman, Mrs. Gordon Dailly, Mrs. Arch. Brown and Mrs. John M. Millar. The funeral will be held at 3:30 on Monday afternoon.
